HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2476

Hare – Ten Fingers

Another Monday night rolled around, and the word had got around that there was another BNH3 run happening in downtown Kallangur. The weather was perfect, and this resulted in 26 Hasher's turning up to experience a Ten Fingers rationing of chalk run. And once again he didn't let us down, although he did tell a fib about the length of the run and walk.

At 6.30pm everyone was sent out the front so that Ten Fingers could give the run/walk instructions. He said it was a short run and walk as he had to set it in the heat of the day. With that the Hashers set off in pursuit of some chalk to see if there was any to be found.

The Run

There were three runners this week, FIGJAM, Strong As Shit and Miscarriage who was visiting from the Gold Coast. They set off on the same trail as the walkers marking off trail as they went with only a small extra loop near the start of the run. They eventually made their way back home again with no mishaps to report.

- The run was 6.46 km.

The Walk

The walkers set off chasing the runners out on to Duffield Rd and then a right turn into Orchid Ave before making our way onto John Mott Reserve walking path where we followed that all the way to Anzac Ave. From there it was up Bray Rd to the school where there was an incident involving a ball and a Hasher who thought he was Maradona. The result was Pounda was down with a black eye for his trouble. From there it was through the school yard before coming out into the back streets where we headed for the Murrumba Downs train station. And then on to home again.

- **The walk was 5.77 km.**

The Circle

The GM got the circle underway, with the RA back again to take up his post.

The GM was about to nominate someone to give the run number when Little Squirt couldn't help himself and blurted it out. He was given a drink for his outburst. Ten Fingers and Torque wench had to join him as they got it wrong even after it was said.

Pounda was asked to give the run count with no notable runs this week.

There were four returnees this week being Sex Change, Ryvita, Tight Arse and Vampire. They all had varying reasons why they hadn't been to Hash, but no one really gave a crap, so they were made to have a drink for their absence.

We also had a visitor in Miscarriage who was visiting from Gold Coast.

Ten Fingers was called to the middle to answer for his crimes as the Hare.

Miscarriage was asked to give the run report – He said that it was obvious that the Hare was a pensioner as there was a distinct lack of arrows. The run was also like the Federal Government as there were no checks. He gave it a score of **8 out of 10**.

Chunda was asked to give the walk report – He said that Ten Fingers sucked. So much for a short walk, arrows sucked, silly bloody markings. He gave it a score of **10 out of 10**.

Sherbet was asked to give the short cutters walk report – She said that she did the block but she didn't have to rely on there being arrows which was good so there were no complaints. She gave it a score of **9 out of 10**.

Little Squirt was asked to give the security report – He said that the security was shit because he had to hang out with Ten Fingers (two peas in a pod if you ask me). He gave it a score of **9 out of 10**.

Total of 37 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Ten Fingers – charged by the GM as he the GM was certain that Ten Fingers had some help marking the trail as there was a distinct difference in the size of the arrows.	Big Dick – Torque Wench had this and didn't have a recipient for it so was made to keep it a bit longer.
Ten Fingers – charged by FIGJAM for trying to do his own painting and stuffing it up.	Two Dicks – Torque Wench had these and didn't have a recipient for them so was made to keep them a bit longer.
Overproof – charged by Chunda for taking out Pounda with a soccer ball in the school yard. Alison was made to join him as the ball deflected off her ear and then hit Pounda square in the right eye.	Grub Shirt – Strong As Shit had this and gave it to Ten Fingers as he fucked us all over with his run and walk.
Ryvita – charged by Ten Fingers as the only reason she came to Hash was she had seen some arrows on the footpath out the front of her house.	The Bone – Tight Arse had this and gave it to Sex Change so that he could hang on to it for six months.
CanIhaveafeel – charged by Torque Wench for not living up to the high standards of	The Walking Stick – Road Kill had this and gave it to Little Squirt for not going out on the walk

Pounda in her joke telling out on the trail.	due to him having a sore ankle.
<p>Pounda told a few jokes while the RA got his robes on to conduct a couple of naming's.</p> <p>Amy was named Cheeky Monkey as that is what she calls everyone else.</p> <p>Alison was named Channel Marker due to her being rather tall and having hair that is green on one side and red on the other side just like a Channel Marker.</p>	The Dummy's – Strong As Shit had these and gave them to Overproof as he thought that he was top shit, but she said that he belongs in the school with all the other dummy's.
