HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2485

Hare – B Minus

Somebody save me, the water's rising...

All hail the Religious Advisor for his outstanding efforts this week! Cheers, Cheesy!!

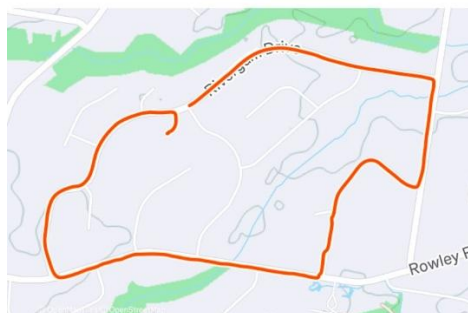

Since sweet Jesus got the blame, I guess someone upstairs wasn't too happy & tried to wash out the trail, not once, but twice! So, B – reset the trail & got soaked anyway... must be divine punishment for all that self-care he was practicing while he was AWOL.

Hashers had to manoeuvre around fallen trees & negotiate water obstacles, but everyone made it home safe to ... no power! Do we have any Bob the Builder's in Northside? If not, maybe we should, as FIGJAM chucked the lasagna's on the barbie & managed to give everyone a feed... nice one.

The Run

B- Hash Run

Distance	Pace	Time
4.77 km	8:44 /km	41m 38s

There were 5 runners this week, **Chunda, Dog, FIGJAM, Strong As Shit & Torque Wench**. It was a bit of a choose your own adventure for the first couple of km's & since the arrows had been washed out, the runners had to trust that FIGJAM wasn't leading them up the garden path (would he do that? :-D) A nice big loop from Rivergum Dr, right onto Hauton, a dogleg to chase the birds on Kurralong Drive then home along Rowley.

- The run was **4.77 km**.

The Walk

B- Hash Walk

Distance	Steps	Time
4.07 km	5,268	50m 9s

The walk was similar to the run except the last big hook was viciously chopped off to save Pounda from that last uphill 'incline'. There were no big hills, a smooth walk.

- The walk was **4.07 km**.

The Circle

Run Number: The G.M called for Ground Sheet **who wasn't there**, cheers to Ground Sheet anyway! Torque Wench got it wrong & got a drink & a song.

Run Count: 17 hashers sitting on the wall, 17 hashers sitting on the wall...

Returnees: No returnees this week!

The Hare: B minus was called to the middle, let the sledging begin!

Run Report: Figgy did run report, B – did pretty good, reset the run after the rain, got wet when resetting. Figgy was a bit stunned that he actually listened to his Dad. Unsure how he got the trees over the trail but gave him **1 out of 100**

Walk Report: E.T. thought it was a good walk, lots of arrows except that one time (at band camp) when we lost the arrows & made it up as we went along... but she still crucified him with **9.5 out of 10**

Short Cutters: No short cutters this time! So a great big zilch out of zilch

Security: Channel Marker gave it a score of **1 out of 10**. (For the dog's company)

Run Score: Total of 11.5 out of 100

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Figgy wants to talk about stupidity... every week there's a hasher who doesn't wear it but she was wearing one tonight! So who had a shirt & didn't wear it... Little Squirt for not wearing a hash shirt.	Big Dick – Overproof – Went to a pub on Thursday, where Heart Starter left their wallet, license etc at the pub. What a dick!
Pounda reckons the cost of living is outrageous, & there's a thief in the company... someone took the opportunity of the storm to pinch a trampoline! Chunda what are you going to do with a trampoline?	Two Dicks – Overproof has a couple of dicks for B minus for 2 arrows pointing in different directions
Dog posited that Cheesecake deserves a beer for keeping the storms off the run... Grasshopper gets credit for bringing down those trees cause she's Strong As...	Grub Shirt – Torque Wench – for Squirt since he didn't have a hash shirt
	The Bone – CanIHaveAFeel was boozing up on free bubbly at the casino so will bring it next time
	The Walking Stick – Corn Cob has them
	The Dummies – Strong As gave them to Chunda for fuck knows what...
