HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2486

Hare – Pounda's Raunchy Red Dress Run!

Apologies for lack of pictures, tech issues (i.e. Feels has left a charger at work & Torque Wench is inconveniently at work). Sorry, next time!

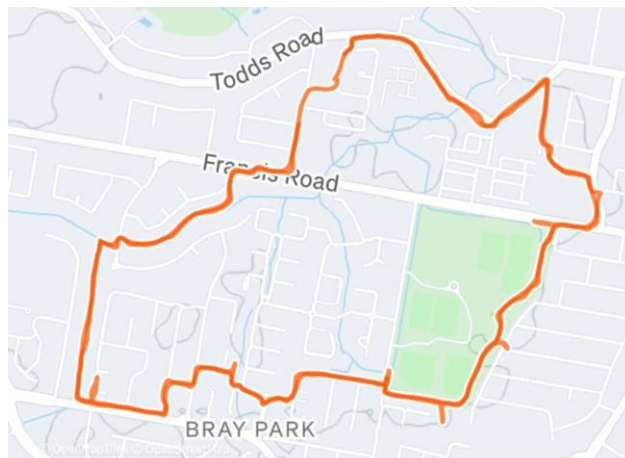

The headlights! I mean, highlights!

The raunchy red dress run was aptly named as it was all about the tits & arse. With an empire line that needed adjusting, to a raised hemline on a miniskirt & a dropped garter lowering the tone (what tone?) it was definitely an evening for hash shenanigans!

As Pounda is being posted to the arse end of the world soon (Melbourne) it is his last opportunity to boast about his trails being the best set everrrrrrr! Though everyone goes because Beat-A-Root always creates a great hash mash. Expectations are high, Pounda!

I hear that the on-on-on fun continued with terrible jokes, lots of laughs & that Beat-A-Root couldn't help giving those flashing headlights in the dress a poke at the end.

The Run

 Peter Sayer
Pounda's last hash run setting trail
Distance Pace Time
6.98 km 6:26 /km 44m 54s

There were 4 runners this week as everyone else felt a bit dainty in their red accoutrements...

B-, Chunda, FIGJAM & Torque Wench completed the run. Missing were Strong As Shit & Little Squirt as they were being posh in the city red dress run. (But we have a pic!)

Formal curtsy to Figgy for completing the run in a long red dress. A flattering look after the empire line was adjusted from choke-hold to figure-accentuation levels.

With a 50/50 chance of getting the direction right/left as I was pissing up in the city, this run does look like a Pounda classic with a few checks or false trails & a dose of a bit of bush. Some gentle inclines & a decent length of a run to keep the energizer bunnies happy.

Taking in Todds Rd, skirting the edges of the sports ground, almost crossing the border to Bray Park & circling through the back streets back to Admiralty Circuit for booze & banter.

Did anyone keep count of wolf whistles while out on the trail?

- The run was 6.98 Kms

The Walk

Pounda Hash Walk
Distance Steps Time
5.22 km 6,514 1h 2m

Covering all bases with the 50/50 thing, the walk was a solid 5 k's or so with plenty of entertainment along the way.

A very careful & delicate curtsy for Corn Cob so he doesn't flash the onlookers with what may or may not have been worn under the red mini skirt that he wore. A decent wander around the back streets with some interesting dog legs then a breath of fresh air at the sports fields before heading home

- The walk was 5.22 km.

The Circle

Run Number: FIGJAM called 2486

Flower's Run Count: 27 hashers with fun run 351 for Heart Starter.

Returnees: Rabbi & G-Spot with no birthdays till JC in a couple of weeks.

The Hare: Pounda

Run Report: Torque Wench thought it was well marked with some inclines, & everyone knew where the fuck they were going. She decided to crucify Pounda anyway with an **8 out of 10**

Walk Report: Cheeky Monkey - Loved the walk & loved Christmas lights, there was one hill, with 1 beer for you, Pounda, 1 out of 10

Short Cutters: After some friendly bullshitting about who did a shortcut... Rabbi, Vampire & others went around the wrong block. Rabbi listened to all the instructions & decided to ignore them to go on a Christmas light jaunt & see all the lights **4 out of 10**

Security: Channel Marker gave security **1 out of 10**

Run Score: Total of 14 out of 60

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Corn Cob charged Channel Marker (she's even wearing her shirt) as she was given a full weeks notice to wear a red dress or else she'd be sitting on a frozen condom.	Big Dick – Heart Starter gifted it to Torque Wench since her boyfriend is home in 18 days, she could probably do with some help.
Figgy - hash is going to shit – it's the first time he has had a problem with a female stopping mid run to play with a pussy for 5 mins. Chunda reckons he kept his eyes on the prize & told Torque Wench to stop playing & start running.	Two Dicks – Chunda gave the dicks to Corn Cob for being best looking guy in a dress.
Cheeky Monkey charged Pounda for being lovable & providing Xmas lights to look at. Well he got the 'Fuck Off' song but considering it was at Pounda's, it was a bit difficult...	Grub Shirt – Little Squirt has it at the posh red dress run.
Torque Wench charged Tail for fucking up the emails & gave her a set of L plates. Pounda is going to Flower's to help her get through procedures. Tail should come & learn how to Hotmail!	The Bone – CanIHaveAFeel was boozing up on free bubbly, but will bring it next week.
Figgy charged Pounda for being an in the closet walker. Apparently, he used to run till he hit cycles & bollards. Figgy noticed that the hills that the walkers were going to walk up were crossed out!!	The Walking Stick – Chunda fucked up because he was not free boozing & forgot he had the walking stick.

	The Dummies – Chunda also forgot the dummies...what a dummy.
