HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – FIGJAM's Festive Frivolities

Settle in, grab a drink, this one is a long one.

Jingle bells, jingling balls, tinsel tits & glitter galore kicked off the festivities for the BNH3 Christmas piss up. Hash family, friends & the odd feral turned up to celebrate a year filled with ups (hills), downs (valleys), pointy things (arrows), wet patches (rain) & a whole lot of bush.

Hosted by FIGJAM at Sarge's house (thank you!) the food & fluids were plentiful & delicious. With memories to be made & forgotten, the hashers settled in for an afternoon & evening of camaraderie & festive frivolity.

But first, we are so glad that Corn Cob & Ground Sheet are ok after being in a prang on their way to hash. Especially because they had the cat's piss! Little Squirt sprang into action to make sure everyone was safe & delivered the goods.

Highlights were Pounda & Beat-A-Root being recognised for their many contributions to the hash family with a plaque & Beer Pong set presented by the G.M. & Figgy. From Hash Cash, Hash Nerd, Hash Scribe, Hash Webmaster & overall admin master, to Beat-A-Roots famous hospitality.. is there any pie they've left unpoked?

Another high/lowlight was the hilarious game of Beer Pong towards the end of the night with Chunda & Pounda vs Torque Wench & Little Squirt. Turns out Torque Wench has some skills & absolutely demolished the opposition in the first round! Payback came to Little Squirt who ended up chucking on the grass. After 2 games filled with banter, bullshit & beer it was called a tie &

everyone who could no longer stand up took a seat.

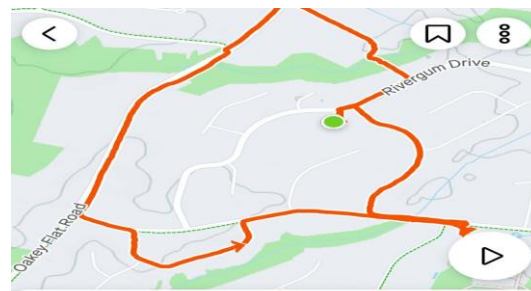

Thank you to everyone for your contributions this year, we all bring something different to the party! Hope you enjoy the trash & photos at the end!

For myself, it's been a pleasure to meet you all & join in the shenanigans, thanks for welcoming me in.

On on, CanIHaveAFeel

The Run

Northside Hash Xmas Run

Distance
5.54 km

Elevation Gain
116 m

There were 6 runners this week, **Cheesecake, Chunda, FIGJAM, Little Squirt, Strong As Shit & Torque Wench** with half of them deciding to play beer pong afterwards... competitive much?

The run was very hilly & hot with some creeks & wet patches of bush. The trail was on chalk & flowers, with the added entertainment of splitting off from the group then over taking the walkers with various verbal assaults.

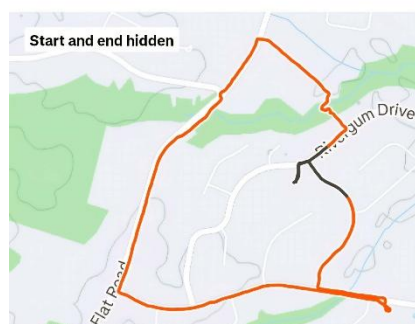

Finally, a decent drink stop at the pub for beer & squash then home for circle & hash mash.

The run was 5.54 km

BNH3 Xmas Party Walk

Distance	Steps	Time
5.49 km	7,266	1h 14m

The Walk

The walk had a bit of everything along a familiar path including bush, stacks, coppers, outrage/impatience over regroupings, & a drink stop!! Yippee!

- **The walk was 5.49 km.**

The Circle

Run Number: Torque Wench got the number right! The crowd goes wild!

Run Count: 28 attending hashers & Feels turned up later (but she did bring her own booze)

Returnees: Hooker, Red Hot Chilli Willy, Robinson Crusoe, Van Da Who, Boobarella, Illegally Blonde, maybe some others in the rabble

Birthdays: none that anyone admitted to this week

The Hare: FIGJAM, hello back from the phone!

Run Report: Chunda –1 out of 10 is all he's going to say (well, that's not very fucking helpful for the trash, is it!)

Walk Report: Pounda said he followed instructions, found some bush, rumour or garbled recording says he may have got some caught in his teeth when he had a stack. Apparently, there was even a police chase!! Woohoo! **1 out of 10**

Short Cutters: Sherbert reckoned the hill was just too hard (never heard a Harriette say it was too hard before) **3 out of 10**

Security: Beat-A-Root was the legend of the party since she fixed the fucking beeper of a car that Pounda couldn't, whilst everyone else was elsewhere **3 out of 10**

Run Score: Total of 8 out of 40 is that the best score of the year?

The circle was opened to Charges and Awards as below.

Charges	Awards
Little Squirt charged Cheesecake to welcome his redropped balls back to running. An attempt was made to reverse the charge, but everyone started singing the balls hanging low song, so I think Squirt got the point for that one.	Big Dick - Chunda was going to give it to Pounda but he's leaving, or Dog, no idea why but in the end, it ended up in Pounda's pants.
Figgy – Championed the R.A by charging Squirt with not being able to park straight even after Figgy spent 5 hrs teaching him how to drive. Reversed by Pounda since he didn't learn anything that Figgy taught him.	Two Dicks - still with Feels as she was still at work.
G.M. charged all the walkers except Pounda for not regrouping at ANY of the 3 marked regroupings, so they got the build a bonfire for the fucking lot song.	Grub Shirt - Torque Wench to Cheesy for coming back to the runners.
Cheesy charged Pounda for boasting about his latest no-injury count... It's his first day off & what does Pounda do? Has a stack at hash, sending his count back to zero days, also whipped himself with the snipper for fun.	Bone – Torque Wench kept it for next week but lost it at the Christmas Bash... Figgy may need to check the doghouse, though I'm sure Sarge has better taste in bones.
Figgy got a 'thanks for putting us up' (putting up with us) at the tail end of proceedings.	Walking stick is at Corn Cobs – he left it at home... week 1
	Dummies – apparently Chunda didn't hear any whiners during the run, so he swung the dummies around & they ended up with Torque Wench.

This week's Hash Mash: Christmas spread with xmas cake, fruit salad, trifle & pavlova with thanks to Tail, Beat-A-Root & Corn Cob

Next Week's Run – Run No. 2490 – 22nd Dec 2025 (2489 was 15th Dec, see next trash)
