## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2490

#### **Hare – Cheesecake Chunda**

With Cheesecake unable to host due to unforeseen circumstances, Chunda bravely stepped up & opened his house & yard to the swarm of homeless hashers while Heart Starter fed the hungry. Awww, it almost sounds like a Christmas tale!

There were sparkles, antlers, santa hats & plenty of bad jokes

A CFP written on the path, gave us WTF brain strain, In the end it was supposed to be Chundas Fuck uP – these kids with their wOnKy writing...

A report arrived, alleging Pounda had safely arrived at his new abode in Victoria, where he promptly fucked up, fell down some stairs & fucked a ligament in his shoulder... some things never change & the days without injury count is set back to zero... we want to know if there was a bollard on the stairs!

To end: Christmas singers gave us a rendition of 'Try Not To Be A Cunt' followed by a hash Christmas Photo. Merry Christmas! By the time this arrives it will be nearly new year, so Happy New Year in advance!!

On On, Feels

## The Run

A nice easy & smooth run, a few little false trails & a crime scene to spice things up & home for early drinkies, well done Chunda! Especially on short notice.

**The run was 3.08 Kms**

## The Walk

This walk was about 3 kms. I say about as it seems the people who usually record the walks have all either - hoicked themselves over the border - skedaddled over to the runners - were absent – or couldn't be stuffed sending me the map. 😊

It was a nice flat walk around the block, catching glimpses of the runners as the trail doubled back now & then after false trails. Early evening, so not a lot of Christmas lights (Cheeky Monkey will be terribly disappointed) A few regroupings – which we stopped at - & the interesting CFP marker. Great company & chats, a lot of fun.

**- The walk was about 3 km**

## The Circle

**Run Number:** Flower gets 2490! Got a cheer!

**Run Count:** 18 Hashers got the email with the change of address or got sent the email with the change of address & the rest either didn't get the email with the change of address or just got lost.

**Returnees:** B1 returned for various \*ahem\* reasons, the general consensus was that hash was happy to see him back & that Figgy would be glad to see his back (not long now till they go on the cruise & vacate the hut, Figgy!)

**Birthdays:** no-one admitted to any this week

**The Hare: Chunda** was called to the middle, dragged Tail with him to be a surrogate for Heart Starter, but the GM got a little confused & everyone was appreciative of his efforts of standing in at the last minute, so he was given an airy well done in his general direction & we all sang a song.

**Run Report: B1** Wasn't quite a run for him, had to slow to a very fast hobble but it meant he got to witness Little Squirt running away from wisdom, but he was still a bit faster... up, down, around the corners, lots of concrete! **Run score was:** minus onbacks, plus checks, carry the 1 = **1/10**

**Walk Report: Vampire** – lovely breeze, nice & flat or she would have turned back **Walk score was: 3/10**

**Short Cutters:** No short cutters tonight!

**Security: Ten Fingers** – no trouble, Channel Marker was in residence, nothing happened & it was quite secure **Security score 2/10**

**Run Score: 6/40**

The circle was opened to Charges and Awards as below.

Charges	Awards
<p><b>B1</b> – disgusted in the Brisvegans in general but in particular Chippy <b>Gobbledoks!</b> Could have charged anyone really but <b>Little Squirt</b> was dragged into the middle &amp; was denied his attempt to reverse the charge, his excuse was that he wasn't the only one.</p>	<p><b>Big Dick</b> – Flower to Torque Wench for losing the bone – see below</p>
<p><b>Torque Wench</b> charged <b>Chunda</b> for leaving the crime of a corpse on the trail...especially a protected Ibis species (see link at end of trash). After various revolting suggestions – par for the course – he endured a song to answer for his crimes</p>	<p><b>Two Dicks</b> – Sherbert still has them (wk 1)</p>
<p><b>FIGJAM</b> charged <b>Channel Marker</b> for having too many colours in her hair, she's got lots of colours like a Christmas tree &amp; Figgy didn't recognize her this week. She then dobed herself in for no hash shirt...</p>	<p><b>Grub Shirt</b> – Cheesecake still has it (wk1)</p>
<p><b>Little Squirt</b> charged <b>Channel Marker</b> for no hash shirt with an absolute piss poor excuse</p>	<p><b>The Bone – Torque Wench</b> lost it at the Christmas Party...</p> <p><b>Tail tells a tale</b> – at the Christmas Party, Tail used her drunken peripheral vision to see Sarge sneaking away with the Bone. Tail convinced Sarge to hand it over. Tail charged/awarded the bone back to Torque Wench for not taking care that the Bone did not fall into the wrong hands or mouth...</p>
<p><b>G.M.</b> charged <b>CanIHaveAFeel</b> with messing him up with awards &amp; charges. G.M still stuffed it up. ☺ See 'The Bone'</p>	<p><b>The Walking Stick – Feels</b> awarded the walking stick to Torque Wench for forgetting to bring it but was reversed as she didn't bring it either.</p>
	<p><b>The Dummies – Little Squirt to Torque Wench</b> for losing the bone</p>
