HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2495

Hares – Dog & Overproof

Aussie Day Shenanigans began Friday night with a bunch of happy hashers setting up camp. Dinner was at the Woodford pub & we needed 2 buses to get there. After singing songs to the driver, the entertainment continued with Chunda getting drunk & falling in a ditch. Oh wait, apparently that was last year! This year it was Chunda vs FIGJAM at the bar & no-one managed to get kicked out so everyone wins!

Saturday run/walk was just fucking hot. There were 25 hashers on site for the 10am start & the heat had most hashers in the pool asap!! A ping pong tournament was proposed after lunch & it quickly became apparent that Strong As Shit should not be let near a bat or a ball (which doesn't bode well for the cricket).

Hooker & Tail presented a PLANK to Northside Hash for the 2500 celebration & what a thing of beauty it is!! 4 cups, ready to go! Thanks so much Hooker, there will be a Plankmaster appointed in due course (if anyone is worthy enough to sign up for, let alone complete the certified Plankmaster course)

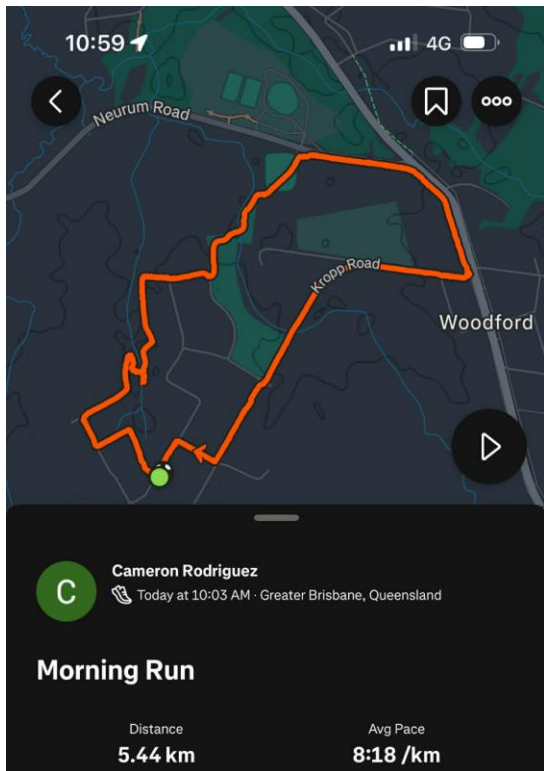

Ping Pong results as follows:

Strong As	Lost the most balls Created a new type of fucked up shot, likes to grunt
Little Squirt	Great catcher of shit shots

Tail	Best on ground
Bitta Relief	Betta than Strong As, shitta than Tail
Robinson Crusoe	Deformer of balls
Dog	Local expert
CanIHaveAFeel	Anywhere but the table
Torque Wench	Target practice
Cheesecake	Showboat
Chunda	All about the arse

Cricket report to come...

On on, Feels (CanIHaveAFeel)

The Run

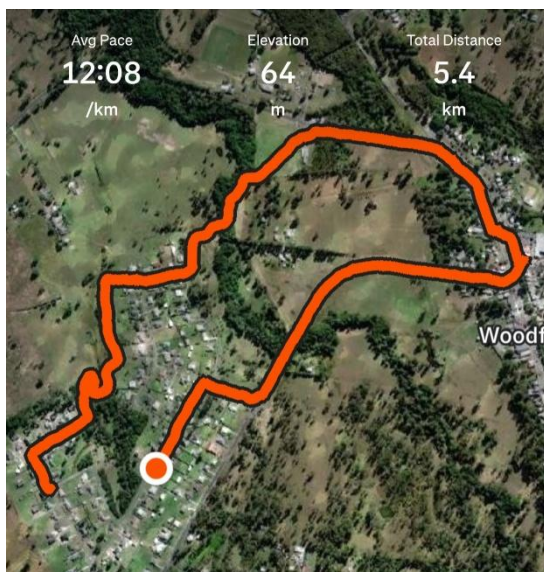

At the ungodly hour of 10am, There were 4 pissed off runners, **FIGJAM, Little Squirt, Strong As Shit & Torque Wench**. Why were they pissed off? Apparently the walkers got a drink stop at the pub, while the runners did not.

Using caution around 'Chunda bends', overall not a bad run though confusion reigned supreme at the Westwood Ave roundabout since the arrow was covered in grass clippings.

Short cutter *cough* Little Squirt *cough* went around the hill instead of up it.

Toad count: 1 baby toad just before the broken captiva but no Ned, dammit, that was a fun conspiracy

The run was 5.44 Kms

The Walk

It was so hot that quite a few walkers took short cuts & *some, not all* maybe took a 'dehydration' stop at the pub. There was bush, rocks, a pub & arrows. But everyone really just wanted to get back & jump in the spa.

- The walk was 5.43 kms

The Circle

The Hares: Dog & Overproof

Run Count: 25 hashers, with Illegally Blonde getting a big cheer for putting up with Dog for 50 runs.

Returnees: Too many to count!

Birthdays: Cheesecake (last week) & Little Squirt (tomorrow!!)

Run Report: **Torque Wench** was talking loud & clear into the microphone, said it was fucking hot, there were some hills, but what can you expect from Woodford, allegedly there was a drink stop but it wasn't marked. Umm, Figgy got lost around the rock spot, there was bush, rocks, hills & the horses were pretty cool.

Run score was: 4/10

Walk Report: **Spotty** thought it was excellent, bitumen all the way, well sign posted, dehydration (pub) stop was excellent & thank Christ for no hills or kangaroos 10/10 (outrage ensues) nah, 9.5

Walk score was: 10/10 amended to 9.5 after outrage

Short Cutters: No idea who...walk was quite nice, it was flat, bloody hot though, there were rocks...

Short Cutters Score was: 4 million/10

Security Report: Security was great, we watched people work, we sat inside in the air-con.

Security Score was: 1/10

The circle was opened to charges

Charges	Awards
Figgy asked where are the math's genius' when you need them? Tell me, how many times will 2.5 fit into 2.4? Chilli Willi - your junk (truck) is too big & took a chunk out of the Dogs house (see Shenanigans...)	Big Dick – Princess still has this – 3 weeks!
Heart Starter thinks the heat has got to some people... Figgy was delirious from the heat, he kept running past the house & had to be called back, where are the new hearing aids Figgy ?	Two Dicks – Little Squirt to Figgy since he forgot where his new hearing aids are so 'hears' a dick for each ear
Squirt , 'While you're there Figgy ' - obscene noises were heard while on the run, so many that the other runners stopped to see what was actually wrong! Seems he'd lost his hearing aids, on checking his phone, they were on charge....	The Bone – Little Squirt keeping it as he was a bonehead today, groundsheet was bringing swimmers & towel & squirt told her not to, tadaaa, there's a pool!
Figgy – there are a couple amongst us who thought they'd cheat by attempting to purloin a horse from a field & ride home... Little Squirt & Torque Wench , get in the middle. The reason the horse wouldn't come to the fence is because the damn thing was electrified!	Grub Shirt – Overproof to Ground Sheet for 'child abuse' aka kicking Corn Cob in the arse & attempting to kick Little Squirt
Bitta Relief – Torque Wench & Squirt for running around the back yard after the run, how fucking stupid. Everyone else was in the pool cooling off.	The Walking Stick – Smooth Ride ??
Flower - Tail sharing an umbrella, stops at the end of the street, looks around, asks which way they should go, when the arrow is between her	The Dummies – Tail to Ground Sheet for having a hissy fit about the shirt
