HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2496

Hare – Little Squirt

12 Hashers in various states of recovery eventually found their way to Little Squirts & some were even on time! Enjoying Aussie Day snacks with fairy bread, dips & lamingtons, there were yard games laid out for the enjoyment of all. Quoits, bowls, & a dartboard had the big kids entertained with plenty of misses & even a few hits.

Speaking of near misses, our visitor, Virgin Master & Squirt managed to resolve their communication issues & found their way from the station in time for the run (see charges).

With a run score of -2/30 this was the perfect recovery run!

On on, Feels (CanIHaveAFeel)

P.S. the cricket pics are here! For a cricket report, you'll have to ask the umpires...

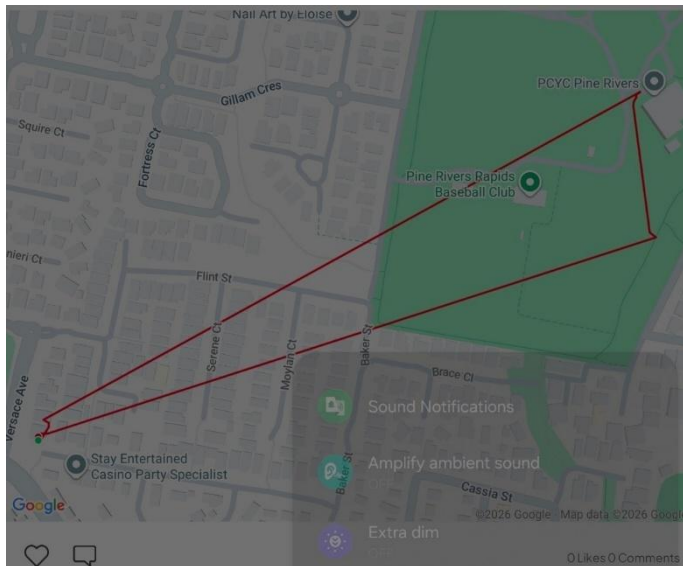

The Run

There were 4 runners who decided they couldn't get enough Hash & a smokin' time was had by all. Starting from Versace & meandering down the grass corridor to Francis St. Hooking a dog-leg around Isis Rd, the a judgy run through the new estate (houses too close together) to begin finding the way home.

After quite a few back streets, they found themselves at the icecream stop & managed to snack on whatever the walkers/flyers had left undeseccrated. A short stretch & the arrows pointed to the comfort of an airconditioned bar with a cold beer, snacks & the company of the walkers waiting. How good was that!! At 5.5 kms, perfectly in the golden zone!

The run was 5.5 Kms

The Walk

There were 2 walkers who magically grew wings to fly over the false trail that stopped just short of the pub & decided that, since it was Australia Day, they needed to do some exploring & plant a flag. So off they went for a drink, some snacks & a bit of banter with the locals.

After performing the patriotic duty of a drink on Australia Day, the flyers (who like shiny things) took in the birds-eye view of the park where they spotted a random car in a carpark with ice-cream! A plan was hatched - to swoop him & steal some ice-creams then follow the arrows back to the pub! This outrageous plan worked perfectly & back to the pub they went, where... the runners showed up!

- The walk was 3ish km

The Circle

Run Number: from Flower - 2496 *burp* 'fucking pigface!' Should be called PigJam – it's not Figgy anymore, it's now Piggy!.. Was it Flower who is on 357 runs & got a magnum bang bang? Someone will correct me..

Run Count: There were 4 runners **Chunder, FIGJAM, Torque Wench & Virgin Master**. Well 2 runners, 2 hobblers – you can work out which were which - & 2 walkers, with some spectators showing up later.

Returns: Pfft, everyone was so sick of each other's shit after the Aussie Day bash, even most of the regulars didn't show up.

Birthdays: Happy Birthday Little Squirt!

Visitors: Virgin Master rocked up to share a beer & ice-cream

The Hare: Little Squirt

Run Report: FIGJAM – this is what I think about the run, it was a good run. I'm going to tell you fuck all about it because those who didn't come don't deserve to know about how good the run was. There was some trail, some water - a brook, some shiggy, a bit of everything - that's all I'm gonna

say because they should have been here!

Run score was: 1/10

Walk Report: CanIHaveAFeel - in the spirit of the runners, the people who weren't here, should have been here but I'll give it a -3 as there were 2 of these  & one of these  & they don't need to know about the fun stuff.

Walk score was: -3/10

Short Cutters: There were no shortcutters because everyone completed the whole trail, yippee!

Short Cutters score was: -----

Security: Heart Starter – turned up once everyone had left so it was nice & peaceful, we had VIP parking & the concierge helped with our luggage so that was lovely. Until the rest of you lot came back & disturbed the peace. Got a tour of the garden & because last year we were in the pool, instead of a -3 I'm giving it a -1.

Security score: -1/10

Run Score: -2/30 but coulda been -4 Who can beat this score?

A song for the birthday boy & another song for the Aussie Trail Hare & by the way, where is **Cheesecake** for his birthday tune?

~~The circle was opened to Charges and Awards as below.~~ Hahahaha, forget the charges being opened, the charges took charge of themselves!

Charges	Awards
<p>Latecomers were called to the middle – Heart Starter, Overproof & Flower</p> <p>*hasher 1* 'Oh, good charge, good charge!'</p> <p>*hasher 2* 'not a charge, just get in there'</p> <p>*hasher 3* 'three of ya, this will be interesting once the plank is in use'</p> <p>Definitely counting this as a charge! Heart Starter, Overproof & Flower – latecomers - shit on ya!</p>	<p>Big Dick – Princess – wk 4 but he is haring next week's run so the big dick will be back in circulation. Finally. He's had it for so long it probably needs a return-to-work certificate.</p>
<p>FIGJAM – Not a charge, a bonus drink!</p> <p>Someone learned something! Instead of dismantling my house, he's dismantling someone else's tree to help them out! He's learning (what?) & that deserves a bonus beer for Strucker</p>	<p>Two Dicks – FIGJAM – not sure that I heard anything regarding these but considering we are both deaf...</p>
<p>Little Squirt charged the visitor Virgin Master – (*not* a visitor after doing the mud run), with crappy communication but it was decided that they were equal idiots in not defining a fucking train station for him to be picked up from! So one is at one station, one is at the other... they self-started singing 'You're really fucking dumb' :-D</p> <p>Song was interrupted with the chorus singing 'shut the fuck up'</p>	<p>The Bone – Little Squirt keeping because he's a fucking bonehead but next week it will be given away... got a masturbation song with a spray</p>
<p>Ground Sheet charged Little Squirt with towel offenses from the Woodford bash. 'It's a small towel after all'</p>	<p>Grub Shirt – Ground Sheet attempted to pass it on to Corn Cob for 'child abuse' then she tried to reverse it for 'partner abuse' but she hasn't worn it, so she keeps it for another week.</p>

	The Walking Stick – Smooth Ride must still need it; she's had it for a while now. It's been decorating Flower's car...
	The Dummies – from Ground Sheet to Corn Cob.... Little Squirt wants to convert something into a drinking vessel. This could be interesting...
