## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2497

#### Hare's – Princess & B-

Let's start with the positives...no-one was poisoned with food or alcohol! \*that we know of\*

No-one got lost. \*that we know of\*

I'm sure there's a third positive somewhere, I just havennnnnn n n n nt. FOUND IT! A poem! That's the third positive! Actually, I do believe it's a bloody bona-fide limmerick! 'Anon' submitted the following:

*Sing Sling is a hasher from Canada-land*

*Who keeps a firm grip on his gland*

*Whilst going for broke*

*He suffered a stroke*

*And now can only use his right hand!*

Speaking of absolute bollards who have done themselves an injury, it seems Pounda needs a nursery rhyme so he can sleep at night. Feel free to call & 'sing' him to sleep... psst, his number is listed above...

On on, Feels (CanIHaveAFeel)

### The Run

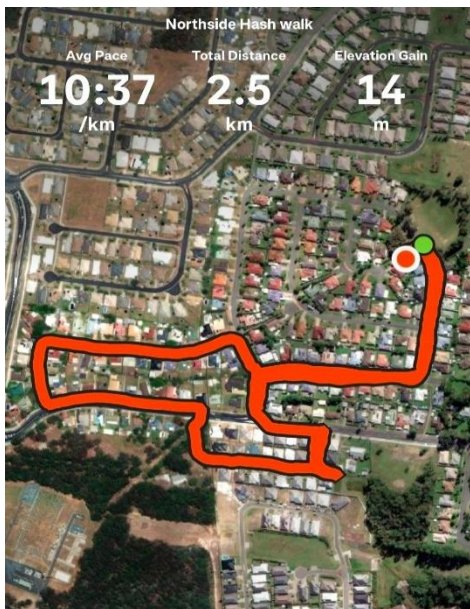

There were 6 runners who shook their fists or gave the finger to the wind & rain, & took on a Cabo Cross-Country Caper: **B-, Chunda, FIGJAM, Jake The Peg, Princess & Strong As Shit**

From the suburban car-wreckers yard of Kerswell Cres, around the 'Christmas lights street' to Elof Rd, avoiding being electrocuted by the power plant & crossing the Perry Irwin Bridge for a bit of bush (everyone loves a bit of bush)

The chalk got a bit light/was washed out so some backtracking was required until they popped out of the muddy stuff, then through some back streets till a nice long, straight stretch of Jensen Rd.

No-one took the shortcut up Ardrossan so everyone ended up around King John Drive before finding their way back home

**The run was 6.7 Kms**

### The Walk

There were 3 walkers that couldn't find or couldn't be fucked finding arrows in the rain, so they went around a few blocks, went back & forth a few times, then decided to head home.

It was worth watching the fancy moving version of the map just to see Cheesecake walk up & around a corner, then back to where Structure Fucker & Streaky were obviously waiting, then up again, & back again...

I seem to remember a previous run where a couple of unnamed overachievers decided to tack on an extra half kilometer because they felt the walk was a little short, but that was a nice evening & tonight was a bit 'damp'. Well, it was a princess trail!

**- The walk ended up being 2.5 km**

### The Circle

The G.M opened the circle & being disinclined to give away a drinkie to anyone who was going to get the run number wrong, invited **Flower** to divulge the run number & the run count.

**Run Number:** 2497 – the countdown is on to 2500!

**Run Count:** 16 hashers – give or take – took on the criminals & back alleys of Caboolture. **Strong As Shit** got her 100 run hat to show off her new haircut in! **Chunda** can't get enough hash & reached a whopping ↘ 1200 ↘ runs! Then listed the few hashers who have even less of a life than he does.

**Returns:** **Jake the Peg & Streaky** – though she did get to Woodford on the Monday as everyone was leaving instead of Sunday

**The Hares:** **Princess & B-**

**Run Report:** **Jake the Peg**, alleges there were too many hills, not enough shiggy, there were arrows that pointed into traffic so you almost got run over... but, considering it's their 1<sup>st</sup> time setting the run... -1 Mind you the G.M reckons he would have given 27/10 but he didn't do the run & can't score it anyway.

**Run score was: -1**

**Walk Report:** The G.M. looked around for a walk reporter & since there were only 3 people that did it, & he reckons the G.M & R.A can't give reports, it was down to **Streaky**, who was a bit lost for words...

**Walk score was: 7/10** since they had no muscle power to put down arrows so the walkers couldn't find them

**Short Cutters:** no short cutters

**Security: Flower** was asked for the security report & despite having some pretty bubbly, opined that it was dark, cold, wet & chilly. With an interjection from Figgy of 'don't bring my first wife into this!' the company collapsed in laughter.

**Security score: 13/10** with a shitty trail song

**Total Run Score: 19/30**

The circle was opened to Charges and Awards as below.

Charges	Awards
<p><b>Cheesecake</b> pulls <b>Chunda</b> into the circle for a 1200 runs special song, Chunda lists his remaining targets, says a g-spot is next... Figgy comments that he thought it wasn't competitive...</p>	<p><b>Big Dick – Princess to Strong As Shit</b> for turning up at 6:29 but Little Squirt was driving. When this was pointed out, his reasoning was that Squirt would just give it back to him next week... Feels is resigned to having extra dicks in the house for the foreseeable future...</p>
<p><b>FIGJAM</b> charges <b>Princess</b> with pinching some chalk, then not using it all. Figgy reckons he stayed on trail &amp; ended up having to ask a random if they'd seen 4 stupid people running up the street.</p>	<p><b>Two Dicks – Little Squirt to Princess</b> because the chalk was light on the ground buuuuut I don't believe Squirt went on the run/walk as he was hanging out with security!</p>
<p><b>Figgy</b> continuing...Needs training to make the arrow straight, Figgy wants to have a word with his English teacher regarding how to draw a straight line since Figgy nearly walked straight into a bollard bigger than Pounda's.</p>	<p><b>The Bone – Little Squirt to Flower</b> for giving medical advice without authority by advising Streaky not to stick her tongue down Flower's throat since she feels a bit under the weather</p>
<p><b>Structure Fucker</b> charged both <b>B- &amp; Princess</b> with not having muscles to put any weight behind the arrows.</p>	<p><b>Grub Shirt – Ground Sheet</b> is determined to give it to <b>Corn Cob</b> even though it hasn't been worn but considering the alternative was no cat's piss at the next hash, he took one for the team! It now turns out that the next hash is at their place... hahahaha!</p>
<p><b>Figgy</b> gives <b>Princess</b> a bonus drink for missing a day of school to set the run &amp; getting away with it. Back in his day....</p>	<p><b>The Walking Stick – Smooth Ride</b> still has this, is she ever coming back?</p>
<p>Lost property – there was a stubby holder left at Little Squirts, but no-one admits to losing one</p>	<p><b>The Dummies</b> – from <b>Corn Cob</b> to <b>Strong As</b></p>

**This week's Hash Mash:** Garlic Bread & lasagne
