## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2499

#### Hares – Rabbi Flower aka 2IC Jake the Peg

With Rabbi pulling out, & the rain almost washing poor Flower away, the run location changed a few times but eventually ended up at the John Goss Reserve near the cricket field. Which was thankful that the bus stop was on the opposite side of the reserve so Feels could aerate it while stomping across said field in her heels.

In tonight's episode of The Adventures of Ten Fingers we see a specially marked trail... just for him! Did he stay on this trail & not get lost? Nooooooooooooo, he fucked off with the rest of the horde didn't he! Chunda blew in from the run & was about to automatically go hunting, when 10F walzed in at the arse end of the walkers. See map below. Also, he took a short cut in front of one of the corner poles, geeez!

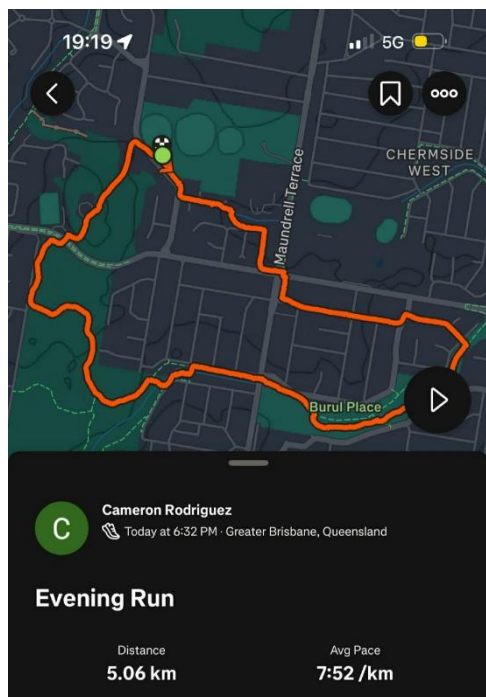

In other news – welcome back Ned & to the croaking chorus of cane toads! Too many to count, a few got booted across the creek & I'm sure I heard one croak as Jake the Peg pulled the dummies out of his arse crack.

Everyone is looking forward to the 2500!! Tail has done a magnificent job of co-ordinating everything, we should probably get her a bottle of something pretty. I believe Figgy & Chunda are bringing gazebos for shady shenanigans.

See you all there!

On on, Feels (CanIHaveAFeel)

## The Run

There were 6.5 runners this week (Sex Change transitioned from the runner to the walker trail)

### **Chunda, FIGJAM, Little Squirt, Ned, Princess, Sex Change & Torque Wench**

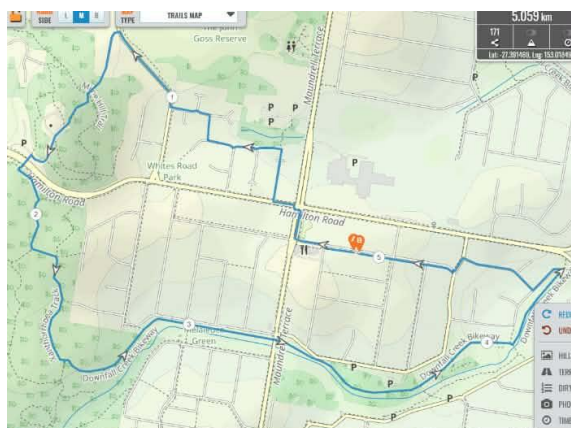

Starting from John Goss Reserve, the instructions stated that you will need some brains (whhaaaaaattt???) a torch & enjoy a bushwalk.

Along with roads, bush, dodging trolls under a bridge, a river crossing & lots of steps, the toads have returned – so has Ned!

After a false trail right at the start, Little Squirt & Torque Wench realised they have done this run before, albeit on the other side of the river. Having to squeeze through a weird little gap they were chuffed to find a construction site & then a motherlode of chalk! Thanks Jake!

A search for loo paper in the park kept the runners busy but it was Torque Wench that found the trail riiiiight up the back, then the peril began with a visit to drop bear country... how many survived?

**The run was 4.7127363487685 Km**

## The Walk

Pretty good walk, some challenging hills, with lots of twists & turns. After crawling through a nook in the fence, which Corn Cob gallantly held so no-one fell in the rancid cesspool waiting on the other side, the whinging began as the long grass closed in. Mind you, I hear snails could walk faster!

There were more hills, a wander over Hamilton Rd, past the Raven St conservation park. The walkers didn't see the drop bear; it must have gotten the runners & eaten them all. By this stage the walkers are about to kill Jake & were very glad to get back for a drink!

**- The walk was 5.64579454353264 km**

## The Circle

With the G.M. & R.A. & G.H. M.I.A. How. Many. More. Full. Stops. Can. I. Fit. In. A. Single. Line?

Enter **Chunda** announcing that the circle is going to be done his fucking way – can we get a tune?

**Run Number:** 2499! Anyone who doesn't know this run number - arrrrrgghh, spoke too soon! Sex Change did not know the number, guessed wildly & missed. Ned used his head/phone & got a bonus song 'who's the wanker on the phone' run count \$24.99 - sale price! Drinks in the middle, boneheads.

**Run Count:** 18 hashers made a horde with Ground Sheet reaching 100 runs!!

**Birthdays:** No birthdays that anyone admitted to & after hearing what kind of deconstructed birthday cake is sometimes served, I don't blame them!

**The Hare: Jake the Peg**

**Run Report: Princess** – \*burp\* 'fucking pig face' - loved the run, up & down the hills, across a creek, a bit of windy wyndy (no idea what kind of English that is, maybe I do need a word with this mythical English teacher), under a drain even though someone else didn't follow it (surely that's a charge!), it was lovely. 2/10

**Run score was: 2/10**

**Walk Report: Smooth Ride** reckons it pretty dangerous, since there were so many cane toads, where was Ned? (he was indeed in the vicinity, on the run, hahaha) Torque Wench alleges she booted/yeeted at least 3 across the creek as a public service...

**Walk score was: 3/10**

**Short Cutters:** The short cutters took a stroll to the main road, couldn't see anything edible, so returned to base. **Cheeky Monkey** enjoyed the walk, thought it was really good & she was having fun, well done! [some sneaky whispers of 7/10 can be heard in the background from a bunch of dodgy fuckers] 7/10!

**Short Cutters Score: 7/10**

**Security: CanIHaveAFeel** there was cake, a fair bit of hash lore, some history, but you'll have to read about it in the trash. I'll give it scratch.

**Security score: 0/10**

**Total Run Score: 12/40**

The circle was opened to Charges and Awards as below.

Charges	Awards
<p><b>FIGJAM</b> charged <b>Little Squirt</b> for being courteous by suggesting to Ned that he be careful running up that hill. Also, for flashing his high beam all over the place, Jake could see it from Hash home allegedly.</p>	<p><b>Big Dick</b> – Hash Lore - once upon a time, before some of you were born, the Big Prick was the only award &amp; was awarded to the prick of the week.</p> <p><b>Chunda</b> had it in his hands &amp; awarded it to <b>Ten Fingers</b>, because he turned up early before Chunda had finished with it...</p>
<p><b>Torque Wench</b> had a charge but forgot what it was &amp; who it was for, so had to get in the middle</p>	<p><b>Two Dicks</b> – <b>Princess</b> handed them off to <b>Little Squirt</b> because apparently giving him the big dick wasn't enough.</p>
<p><b>CanIHaveAFeel</b> asked if she could have a feel of <b>Little Squirts</b> legs, puzzlement turns into hilarity when Torque Wench explains that she waxed them the other day &amp; when Princess got home all he could hear was Squirt yelling. 😊😊</p>	<p><b>The Bone</b> – <b>Ten Fingers</b> to his carer <b>Channel Marker</b> for sticking to him like a life buoy to make sure he didn't get lost. Great job!</p>
<p><b>Figgy</b> has been charged with not teaching his boys something before, this time he charges <b>Ground Sheet &amp; Corn Cob</b> for not teaching Little Squirt not to shine his torch in Figgy's eyes when he is trying to cross a creek.</p> <p>'There's hair on his legs, wax it off, wax it off!'</p>	<p><b>Grub Shirt - Ten Fingers</b> to his other carer <b>Cheeky Monkey</b>, again, for hanging around &amp; chattering to make sure he didn't get lost. Also great job!</p>
	<p><b>The Walking Stick</b> – <b>Smooth Ride</b> fiiiiinnnaaalllllllyyy brought the whacking stick back &amp; mentioned that there's a stereotype that old men are cranky &amp; argumentative - *no we're not!* - point made <b>Figgy!</b> Take the stick &amp; give yourself a whack!</p>
