HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2500

Hare - Jake the Peg

Ohhhh my head! What an absolute cracker of an event! Well done to everyone who attended the BNH3 2500th run at Redcliffe. Fill your glass (or pop your bottle, crack your beer), this may take a while... but there's lots of pictures if you don't like words.

Our special thanks go to:

- Tail - Shirts, accommodation, dinner, delicious bubbly
- Flower – Rego & hash cash
- FIGJAM – Gazebos & set up
- Ground Sheet – Cat's Piss
- Chunda – Booze
- Little Squirt – Hash flash pix
- Jake the Peg – Hare
- All our visitors! Especially from other houses, home grown absentees & that king of the bollards – Pounda – who dragged his sorry arse up from Mexico just to go for a 3 km walk.

On on, Feels (CanIHaveAFeel)

The Run

There were 10 runners who were dumb enough to run at lunch time on a sunny, summer, Queensland day... seriously, did they have no fucking brains at all? **Chunda, FIGJAM, Little Squirt, Ned, Sex Change, Strong As Shit, Tinkerbell, Torque Wench, with Pissy Fit & Menstrual from the pink people of the Gold Coast.** You all deserve to have an ice bucket thrown over you... why didn't I think of that earlier?

In a masterful plan, the Hare sent the runners on lots of false trails so they were usually in sight of & tripping over the walkers which allowed light-hearted (ha!!) heckling between the groups.

The trail took a tour around the showgrounds, then it was out into the wide world. Crossing Oxley Ave, the false trail hooked back towards the school while the true trail continued towards the beach at Redcliffe where the sight of a multitude of hashers put, sometimes bemused, smiles on the faces of the general public.

There was a photo opportunity at the pier where somehow everyone managed to gather themselves for an absolutely rousing rendition of

'We're no fucking good to anyone, we're no fucking good at all!' I have to admit, I can't agree more & the volume was impressive!

Since we were all on the same trail, we'll continue in The Walk

The run was about 4 Km

The Walk

After all the assorted stragglers were rounded up for the group photo & Ten Fingers' leash was assigned to FIGJAM momentarily (he dropped it like it was hot once the pix were done & ran away), our Motley Crue were back on our way to home sweet home...

...via Bee Gees Way where the runners got amongst it & it could be said it was a 'tragedy' that more hashers weren't doing the 'staying alive' dance. I'll admit I was chatting to To & From? Maybe? Well, someone was telling me about the olden days of Brisbane's music scene. I'm a little fuzzy on the details but it felt like 'we should be dancing & I know that the dance floor was bouncing later because I was on it!

Heading home through a park & over a drain via a footbridge, we ended up back at the Redcliffe Showgrounds in great spirits & ready for drinkies!

- The walk was about 3 km

1st person who can correctly name everyone in this picture, gets a free shoulder massage from Feels next time we meet!

The Circle

Shift your arses people & get in the circle! On your feet, no sitting & fill your drink!

Run Number: What's the run number? **2500!** The crowd goes wild! How do you spell AC/DC?

Since G.M. Structure Fucker is away, R.A. Cheesecake & Grasshopper Strong As, introduced the honorary G.M. **To & From**. As the oldest & most decrepit serving member, he had to be introduced as it's been so long since anyone has seen him!

Thanks to the multitude of visitors from near & far, did I mention that bollard loving Mexican – Pounda who's hobbled up from Melbourne just to do a 3 km walk? No run count or awards were announced today as we'd all still be there & it was time for drinkies! So on with the show!

The Hare: Jake the Peg - in the middle to be strung up as much as he's strung out.

Run Report: Strong As – the runners figured all the checks went there & back but the last loop was sort of this way & that way. Not enough hills & could have been hotter...

Run score was: 2/10

Walk Report: G-spot – some gibber about being knocked off a perch & who's got more runs & who's dick is bigger? All racked up before Strong As was born...

Walk score was: 150/10

Total Run Score: 152/20

Give **Jake the Peg** a song & drink – little arrows. Jake reckons it was his privilege... sucker!!

Lost property – Lost glasses Road Kill, may as well stay in the middle & have a drink to 'how blind is that hasher in the middle?'

Cheesecake's special charge to - **Pork Chop, G-spot, Chunder, To & From, Wheelbarrow &** a couple of other old farts who belong in the old farts home. This mob, back in the 80s & 90s were the nucleus of hash in Brisbane, (before Strong As was born), so all this is all their fault, then some wanker asked, 'Where's Pancho?' (What a way to wreck a night) Special song for the old farts... 'Build a Bonfire' & catch the, I mean, give them a clap...

The circle was opened to Charges as below.

Charges

Torque Wench to FIGJAM – 10 fingers was put on a leash & gifted to Figgy at the pier, Figgy then promptly tried to hand 10 Fingers off to a stranger – for trying to get rid of him, it's a bonus drink!

Tinkerbell 'dragged' (hey, I've seen the pix from the lingerie run!) in **Menstrual & Ten Fingers**, & asked what do they have in common besides being fucking old? Menstrual is wearing 5 fingers on each foot (dive socks), 10 & 10 fingers = twenty toes song

Little Squirt dobbed himself in, along with **Torque Wench**, for having to go to their Mummy's to pay for their hash runs, both of them are so poor (wtf!, pfft!) so get in the circle & get the mummies in the circle too – **Ground Sheet & CanIHaveAFeel** – the children need to answer for their crimes of soliciting donations

Awesome **PLANK** made by **Hooker** & presented to **BNH3** for the 2500th run!!

Intricately carved with 4 cups attached, Hooker gets to nominate first drinkers – Tail, Flower, Coco, sorry, MOFO's were gibbering & I couldn't hear her name? Here's to the Harriette's! Comedy ensues when there are holes drilled in the cups at different levels & everyone spills some of their designated drink 😊 😊

Sorry? attempted to charge **Hooker** in the circle for putting holes in the cups & getting wet... **Tail** reversed the charge as Hooker researched thoroughly & the plank is to hash standards... turns out you can turn the cups around...

Tinkerbell calls **Pounda** in the circle for a bonus beer since **Beat-A-Root** used to get a Pounda, but he's lost so much weight he's now a quarter pounder! Which turns out to be his son's hash name 😊 He's also the hasher that has come the longest distance from Melbourne, so he gets the wanker song.

Ahhh, **FIGJAM**'s charge! Figgy is outraged that according to him, in the beer vs wine balance, the winos have been given special considerations & the beer drinkers can get fucked. I'm pretty sure they'd enjoy that. During one of the events emails it was suggested that if you're drinking wine bring a cup & a seat... **Tail** in the circle, also for a thank you for being the main organizer of the event - she's allllllll right!

Old Memorabilia & old men – **To & From**, **Wheelbarrow**, **Dog**, **Chunder**, get in the middle. **Chunder** accuses **Tail** of elder abuse & a suggestion was made that they should take their clothes off to show how old they were... someone did have some old BNH3 dummies but in true hash form forgot to bring them – dementia showing much?

Boobarella charges **Pork Chop**, something about a doggy bag & putting it in his pocket...it was still there & warm...Shit Onya alright!

Cheesecake charges **Chunder**, **Corn Cob** & **Groundsheet** with a bonus beer for bringing the booze & cats piss & **CanIHaveAFeel** thanks **Tail** for having good taste in bubbly!!

Pounda gives Tight Ass a tap as he couldn't find the entrance, Strong As, Smooth Ride are thrown under the bus then Torque Wench dobs CanIHaveAFeel in too... who else ends up in there?

Tail drags all the people wearing old stuff into the circle, Spotty, Dog, Strong As, Cheesecake, Wheelbarrow & I'm sure I've missed quite a few as well

This week's Hash Mash: Dinner at the RSL was delicious & filled with camaraderie & several people managed to fall down, while others needed to be held up! The dance floor was entertaining & everyone made it back to where they were meant to be... eventually... perhaps the next day or so.

Next run was on the Monday night at Ten Fingers, see following trash (maybe next week) check the website as Pounda rocks the webmaster role
