## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2502!

#### Virgin Hare – Streaky

However many hashers (17) traipsed off to the arse end of Narangba (seriously, it could almost be called Burpengary Heights) for some virgin action after Streaky volunteered to host the 2502 run.

Note: parking is tighter than a bunnys arsehole, carpooling recommended for future adventures!

Streaky may be a virgin for BNH3 but she's obviously quite experienced as a hare since her reply to the mention of suffering up hills was 'Good!' Hahahahaha!!!

#### The Run

There were 8 runners this week, **Atlas, Chunda, FIGJAM, Ned, Princess, Seth, Strong As Shit & Torque Wench.**

Gotta admit, Figgy's run report is better than anything I could make up so we'll go with that one!

**The run was 5.84 Km**

## The Walk

No idea where the walk went or what went on but according to Struckers it was all flat except for the hills. Solid ground & jungle & was about 5.5 kms. & Everyone survived.

- **The walk was about 5.5 km**

## The Circle

**Run Number:** Woof! Wrong number Tikka, try again! **Torque Wench!** What's the run number, you should know!! 2502! No idea who they sang the Stupid song to, or why but I am sure all will be made clear...

**Run Count:** 17 hashers rocked up to Streakys, I'd love to know how she got her hash name!

**The Hare: Streaky** – Can I have a seat? Little Squirt offers his lap

**Virgins: Atlas & Seth** – got your beer? Who are you & how did you find us? 'Well, we go to Uni & like running... University mates of Torque Wench (no pointing)

**The lonesome returnee:** the Grand Master himself, Structure Fucker. Where the fuck were you??

**Run Report: Figgy** – She said there were no hills... no fucking hills? I started running up not down the hill like you'd expect at the beginning, but it wasn't too bad. What does a cross mean? For us it means 'turn back!' *Oh shit! Forgot to tell you, it's like a check point.* How many regroupings? *None, I don't like them!* 7.3 km? How come the map says just over 5km. Lots of arrows, no drink stops, too much talking in the circle 4/10 pretty generous

**Run score was: 4/10**

**Walk Report: Corn Cob** – arrows were wide, footpath was wide except for where the G.M. tried to chuck himself into the creek. They were *nearly* sent back on to the out trail, give it a 7!

**Walk score was: 7/10**

**Short Cutters:** Flower thought it was splendid. With trees & a skyline!

**Short Cutters Score: I think it's 1/10**

**Dog interjected** that he did a bike ride yesterday, best he's done for a long time, what Streaky did was excellent good distance, keep it up.

**Medi Vac: Ground Sheet** medi vac, walk was too long, needed to be picked up, didn't notice the pub across the road

**Medi Vac score: 3/10**

**Security: Little Squirt** – Great company & conversation with Cheeky Monkey & CanIHaveAFeel

**Security score: 1/10**

**Total Run Score: 16/50**

The circle was opened to Charges and Awards as below.

Charges	Awards
When someone brings new people to hash, we educate them, tell them what to & not to do... <b>Figgy</b> charges <b>Torque Wench</b> with dereliction of duty & trying to teach the newbies a woke version of hash – a call for ice was made & shit onya was sung	<b>Big Dick – Feels</b> held on to the Big Dick because she was on security, didn't see anyone do anything weird (from her point of view) & since <b>Torque Wench</b> ended up with 2 awards, we may as well annoy the husband properly
<b>Ned</b> charged for not doing his job properly, namely clear the toads! <b>Corn Cob</b> had to do the kicking & belted one into a pole... Squirt burps... pigface! Ned promises to do better next time.	<b>Two Dicks – Feels</b> again, same same, though highly entertaining... Husband has asked that they all be put where he can't see them 😊 😊 😊
<b>Squirt</b> charges <b>Torque Wench</b> with scamming a lift by sitting on his window & was hanging onto his car. Should be given a medal!	<b>The Bone – Squirt</b> was having a drink & decided to offer <b>Torque Wench</b> a lift & she was stupid enough to say yes!

	<b>Grub Shirt - Smooth Ride</b> – MIA, t'is week 1 on the counter
	<b>The Walking Stick – Figgy</b> so graciously gifted it to <b>Torque Wench</b> for having dementia & not educating the virgins
	<b>The Dummies – Road Kill</b> wasn't in attendance this week so he's still sucking

**This week's Hash Mash:** Mild Chilli con Carne, rice & salad (yum)

**Next Week's Run – Run No. 2503. 9<sup>th</sup> Feb 2026**

**Hare: Corn Cob's birthday run**

**Location:** 2 Versace Ave, Bray Park

**6:30pm start**
