## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

**Run 2503!**

**Birthday Hare – Corn Cob**

What a schmozzle!

Since our regular R.A (Cheesecake) is away getting pissed with the Mexican (Pounda), the rain, yes, THE RAIN! took the opportunity to defy the grasshopper (Strong As) & piss on Corn Cobs birthday trail. Hashy Birthday Corn Cob! Didn't even need to set a run or walk, just released the assembled hashers to their various devices!

## The Run

<https://open.spotify.com/track/4JsUqrovTvEsNoE0KgXXFI?si=cd609753d18e4fe8>

There were 5 runners this week, **Atlas, FIGJAM, Seth, Strong As & Torque Wench.**

A smaller group than usual due to Chunda-late scratching, Princess scared of the rain & Tinkerbell celebrating Mardi Gras with the gay hashers. With the elderly statesman of hash 'FIGJAM' taking the lead of the conga line of aspiring youthful delinquents, he led them straight to the pub!! Anyone who got back before him was obviously lost from the shortcutters group...

**The run was** oh, no fucking idea **Km**

## The Walk

<https://open.spotify.com/track/7bbY135gafWRikvA2f9jjA?si=53d855d5b3a44f0f>

Walk Report - **Feels** - There weren't many people, but they were the best people! *\*peanut gallery 'bullshit!'* Flower said 'Follow Meeeeeeeeee' *to the edge...fave song!* We went for a wander up the main road, dodged some puddles & hooked a right into the drop bear enclosure! The drop bears had already fucked off out through the open gate & were preying on the general population, so we had a chilled bubbling brook/drain beside us & some absent hashers' spirit animals came to visit! Hello Ned (toads) & Tail (puppies on the hash umbrella). All flat roads back to shenanigans!

- **The walk was 2.something km**

## The Circle

Hahaha, a random mentioned that everything you say will be recorded & laughed at later... they weren't wrong... 😊 😊

**Run Number:** Flower went to oblige but was cut off by the G.M. who must have wanted to give bonus beers...then he picked **Torque Wench** who, of course, actually knew it – 2503!! 'Oh bugger!'

**Run Count:** 15 hashers who don't mind getting a little wet (except the security crew) were in attendance. \*burp!\* Pig FACE!

**The Hare: Corn Cob**

**Returns?** Nope, everyone here has been fairly regular in their habits lately.

**Run Report: Seth** \*instructions included 'what you liked, what you didn't & don't hold back'\* It was very wet but no hills, we nearly got run over a few times 'normal hash run'! We got lost & lost a few people in the wet & dark. Given the situation, give it a 3/10

**Run score was: 3/10**

**Walk Report:** see 'The Walk', if you really want to read it again, you know where it is!

**Walk score was: 2/10**

**Short Cutters:** no short cutters...oh wait! **Ground Sheet** Had a lovely time, walked to the footy club, renewed licence/membership, had a drink, there was one hill, Amy was squealing at the toads Oh, sacrilege!! Who the fuck is Amy? Someone called Amy was squealing at Ned's spirit animals.

**Short Cutters Score: I think it's 1/10**

**Security: Chunda** – Fucken great! Good conversation – deep & meaningful, Give it a zero!

**Security score: 0/10**

**Total Run Score: 6/40 we had a song!**

The circle was opened to Charges and Awards as below.

Charges	Awards
<b>Little Squirt</b> charged <b>Corn Cob</b> with needing to upgrade his glasses prescription since he can't tell the difference between a picture of Chunda & 'Chunda&aDog'. Taken at Brewery Hash's recent camping shenanigans... see pix below & judge for yourself!	<b>Big Dick – Feels</b> to <b>Chunda</b> for being a lazy shit & not running or walking anywhere except to the esky. He can use it as a prod to get off his arse.

<p>The R.A., <b>Strong As</b>, asked about the potential for <b>Figgy</b> to be charged for not having a charge.... We all know he has indeed been charged with not having a charge before... but will this current charge for not having a charge... stick? While ruminating, the peanut gallery decided he could indeed be charged by singing 'Whack it off'</p>	<p><b>Two Dicks – Feels</b> to the R.A. <b>Strong As</b>, for dereliction of duty in regard to wet things falling from the sky so there was no trail &amp; even the G.M. got his umbrella wet.</p>
<p>Some hashers sadly couldn't be with us tonight, but we had them in our 'thoughts &amp; prayers'. <b>Feels</b> felt the presence of their spirit animals so just had to share that <b>Ned &amp; Tails</b> send their kind regards through the presence of kickable toads on the trail &amp; Struckers umbrella decorated with shitting hash dogs. Cheers to Ned &amp; Tail! Here's to sister/brother hashers...</p>	<p><b>The Bone – Torque Wench</b> keeps the bone to defy parental directions to get that shit out of the house &amp; shits &amp; giggles. 😊 😊 😊</p>
<p><b>Figgy</b> introduced past misdemeanors from the 2500... (oooooh, this may come back to literally pinch him on the arse) He tried to spike <b>Feels</b> wine with water &amp; thought she wouldn't notice. I thought we were friends. Better cover your arse...</p>	<p><b>Grub Shirt - Smooth Ride</b> – in a case of mistaken identity, the beautiful Smoothy tried to pay tribute to her nephew called Atlas by gifting the Grub Shirt to newbie Atlas... but gave it to <b>Seth</b> instead. With mentions of being half naked, having to put your name on it &amp; other 'educational' advice... I think Seth should keep Atlas as their hash name to get out of future shanigans.</p>
<p>Happy birthday 47<sup>th</sup> for Corn Cob!! Hashy Birthday!! Back in the kitchen &amp; stop your bitchen 😊</p>	<p><b>The Walking Stick – Figgy to Squirt</b> for being an old cuck &amp; ditching the run to hang out with old Pop Pop - Chunder. Gotcha. HA!</p>
	<p><b>The Dummies – Road Kill</b> still MIA, is he turning into a Princess too (avoiding the rain)?</p>
