## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

**Hare: Little Squirt**

Buckle up hashers it's time to get trashed!

23 leprechauns turned up looking for their pots of gold but were served liquid green booze instead of liquid gold for the St Paddy's adventure through Strathpine park.

Excellent work Little Squirt! Lots of fake trails & a nice big loop for the runners to navigate, arrows on treestumps, different terrains & pitch black so those who didn't have a torch were soon found out.

A huge welcome back to Singapore Sling & E.T. who also brought a bonus virgin with them! Must have liked that limerick after all, from a few episodes ago. Nice work 'anonymous', keep them coming!

We have a few hashers travelling over the coming weeks & months, if you'd like to stalk their socials (or have your socials stalked), send a message & link through!

## The Run

There were 5 runners who took on the ancient tracks of Strathpine Park, where Smooth Ride used to send the students off to wear them out on cross-country runs & walk-a-thons so they couldn't talk back when she was Deputy? Principal? of a local school for forgettable suburbanites.

**Atlas, Chunda, FIGJAM, Seth & Torque Wench** tried not to trip over their own feet in the welcome darkness where they could flash their neon lights at the walkers (& they did!!)

How does a leprechaun work out? By pushing his luck...

**The run was 3.44 Km**

## The Walk

With the runners weaving their way through the general pack on their way to a false trail, the walkers chose their pace & set off along their track. Shortly after, an inverted leprechaun appeared with a drink stop! Cheers!! After a few moments the lights of the runners could be seen approaching so the walkers found their path & continued on their – now drink appeased – way.

Wandering along, they were flashed by some cheeky runners who were trying to entice the walkers into taking on the longer loop, however the walkers diligently followed the big arrow with a 'W' next to it & strolled back onto a pathway to the base.

**- The walk was 2.56 km**

## The Circle

The G.M. Structure Fucker asked the Committee Members & FIGJAM to join him in a powwow after the circle please & called circle up!

'**Road Kill** is R.A. tonight, don't give him any lip, you'll get in trouble.' Ahhh, that's why it tried to rain just before the run but stopped when it realized who it was dealing with.

**Run Number:** The G.M. went hunting for someone who wouldn't know the number & tagged **Atlas**. '2....5....(whispers in the background)..04?' Gets it right & gets a cheer!

**Run Count:** Tail \*cough\* Flower, run count please?

**Significant Runs:** Corn Cob 90! Rabbi 269 Singapore Sling – doesn't matter if you don't leave the carpark! The Virgin 1!

**Virgin in the middle** – where are you from & who made you come? She's from Sydney (yay!) came with Singapore Sling & E.T.

**Returnees:** Structure Fucker, Road Kill, Rabbi & Raw Liver Singapore Sling, E.T., Tail & Flower were misnamed again, Tail wonders what they need to wear, peanut gallery suggests name tags..... no one cared what they've been up to so we gave them a song & a drink.

**The Hare: Little Squirt**

**Run Report: Atlas** – lots of checkbacks, enjoyed it a lot. One is good right? Give it a 3!

**Run score was: 3/10**

**Walk Report:** Thanks for the drink! nice temperature, thought it miiiiight rain, but it held off (scared of Road Kill), it's virgin territory for me, drink stop, flat, nice company, some off road & good company. 3/10

**Walk score was: 3/10**

**Short Cutters:** Rabbi - we went there, round there, found a short cut, & got lost!

**Short Cutters Score:** I think it's 2/10

**Security: Singapore Sling** – the beer meister did his due diligence & kept the booze hidden so the security & short cutters couldn't drink all the beer before the trashers got back.

**Security score: 4/10**

**Total Run Score: 12/40** we had a song!

The R.A. opened the circle to Charges and Awards as below.

Charges	Awards
<p><b>FIGJAM</b> – someone enjoyed the 2500 a little too much when they lost their handbag...so after having a whinge she went back to the loo &amp; there it was. Figgy reckons that's why she stayed away for 2 weeks, thinking he would forget. Ha! <b>Bitta Relief</b> wanders into the circle...</p>	<p><b>Big Dick – Chunda</b> did use the big dick as a prod to get off his arse &amp; went for a run this week!</p> <p>Giving the appendage to Steth – um - Seth, because he did a check, &amp; went past 2 fucking big arrows that weren't even 50 metres away... the peanut gallery chorus 'bend over'!</p>
<p><b>Torque Wench</b> had a go at the lack of regroup songs lately &amp; noticed that there was one tonight &amp; that 3 runners seem to have seen it, thought 'fuck that' &amp; went on their way. TW &amp; Figgy stopped, sang a song &amp; *then* merrily went on their way...</p> <p>Charging <b>Chunda, Seth &amp; Atlas</b> with ignoring a regroup. Chunda reckons he didn't even see it, is it time for a pair of coke bottle glasses yet?</p>	<p><b>Two Dicks – Grasshopper/R.A. - Strong As,</b> is in absentia this week, she can keep the twins for another week...</p>
<p><b>Jake the Peg</b> – charges <b>Corn Cob</b> with shitty directions. Alleges he turned to the following hashers &amp; helpfully mentioned 'Shiggy on the right, puddles on the left'. Debate ensued about which left was left &amp; which right was right.</p> <p>Reverse charge was raised &amp; accepted. Fun tongue pic below...</p>	<p><b>The Bone – Torque Wench</b> – *parentals don't care if she gets awards tonight as they are out of the country for a week! Good luck world, with Torque Wench &amp; Princess unsupervised!* 😊</p> <p>Gahhh, of course this is the one week we could have all come home empty-handed &amp; she FORGOT to bring the damn thing 😊 😊 😊</p>
<p><b>Flower</b> is quick off the mark with an apt Irish joke about which hand is which... Maith an bhean!</p>	<p><b>Grub Shirt – Seth</b> was going to give it to TW, for not teaching them properly but it's off to <b>Squirt</b> because *blinks &amp; averts eyes as both</p>

<p><b>Figgy</b> pipes up with ‘an Irishman walks OUT of a bar’</p> <p>Before general anarchy breaks loose the G.M. asks the R.A. to move into awards...</p>	<p>boys strip &amp; swap shirts*</p>
	<p><b>The Walking Stick – Squirt</b> keeping it as he’s still injured &amp; old</p>
	<p><b>The Dummies – Road Kill</b> – really feels this award is genuine &amp; not given away just to get rid of it... it was a proper dummy spit. This person was accused of eating too many chips &amp; swore at his mother. Road Kill is appalled &amp; awards the dummies to <b>Little Squirt</b> (for not eating corn cobs, but corn chips)</p>

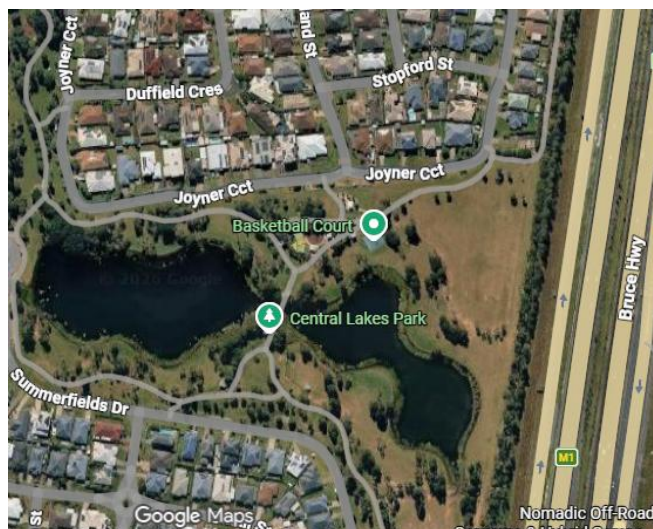

**This week’s Hash Mash:** St Paddy’s themed drink stop! Did we really need anything else after the alcoholic lime cordial shots were served on the run by our own inverted leprechaun? Not really, however guacamole & sweet chilli sauce was served with nachos, followed by hamburgers with green butter & lime jelly on cheesecake! No, not Cheesecake, though I’m sure Cheesy in a jelly wrestling pit would be pretty funny...
