HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2507

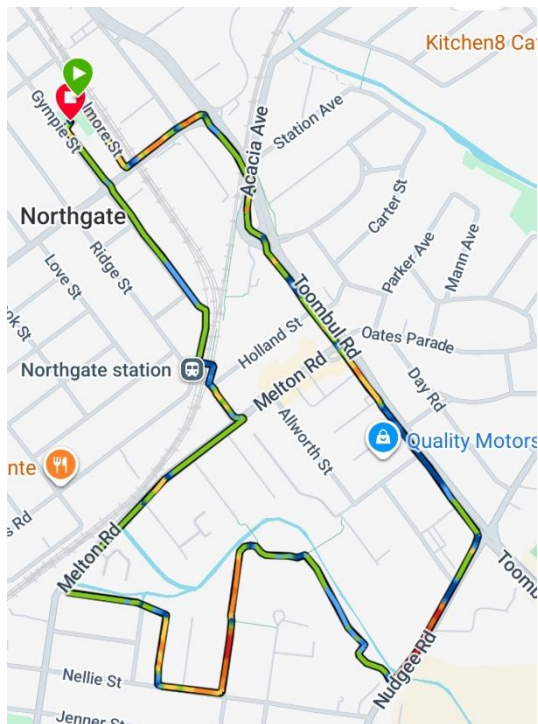

Hare – Strong As Shit

Held at the local park, this was one for the young'uns! During the day, no doubt it is a pleasant respite for local parents to let the ratbags burn off extra energy & enhances mid-afternoon teenage congregation... in the evening *the real me comes alive* (seriously, has anyone worked out that there are song references in every single trash that Feels has written thus far? Shoulder massage for anyone who can ID all the tunes from each trash)

In the evening... occasionally on a Monday... BNH3 takes over! Flashlights, security, snacks & tonight, the 'young adults'... is that the current term for 'just legal, exuberant, but honestly, still a kid running amok?' took over the swings etc to remind all us old farts how much fun it is to just play.

Meanwhile the mind games were on with Strong As Shit setting a trail that teased the long-timers who were adamant that we had to turn right 'here' to get back across the train line... there were quite a few 'here' calls & a lot of laughs when the trail just kept on going straight ahead... nice work Strong As!!

On, on, Feels

The Run

The trail started from Nicholson Park with a quick loop around Belmore St before dog-legging across the train tracks so no-one could take short cuts & start drinking early. A long lope along Toombul Rd all the way down to Nudgee Rd.

Heading right (finally 😊) & along some bush paths, there was a sneaky extra extension just when everyone thought they were heading for home.

Hooking right again along Melton, a left to Northgate train station & hassling the security guard to get off the arrow, it was a straight run back to the park where the children started playing.

The run was 5.15 km

The Walk

Following the same trail as the runners but letting them do the checks etc, some jaywalking was witnessed along with great conversation & a lot of laughs. Must have been an entertaining sight for the motorists along Toombul Rd seeing this motley crew's shenanigans.

The walk was 4.95 km

The Circle

'Whyyyyyyyy are we waiting...' The G.M kicks things off by directing 'you fucking idiots' Little Squirt & Torque Wench, to the centre for a stupid song for their impudence.

Run Number: CanIHaveAFeel 'Oh Mutha Fucka!' Feels absolutely guesses 250.....7! She scores a bonus drink for getting it right!

Run Count: 21 hashers toddled along to a Northgate nanny run.

The Hare: Strong As Shit

Run Report: Chunder thought it was quite good actually. Some of the arrows were a little faint & a little spread out but other than that it was quite good. He gives it a **2/10**

Walk Report: Tail said it was interesting, very good with no hills, & she got her aerobic workout. Had good chats, there were not many dogs. Scores it at **2.78/10**. Some random tries to add an extra point for faint arrows but the score holds firm. It is noted that there was a security guard standing on the arrows at the station & Struckers asked him to move so we could see the arrow. *Squirt* 'buuuurpppppppp' *Flower* 'Thundaguts!' *G.M* 'Where's the ice? We don't have any? Escort him out with a fucking stupid song...'

Short walk, we don't have short cutters as they will be charged so we have short walks: **Rabbi** – we had to wait for a train to go at the crossing so we ended up walking all the way to Virginia as there was no way to cross the tracks. Walked about **2.3 Kms**. Give it a **3/10**

Security: none recorded

Total Run Score: 7.78/30

The circle was opened to level Charges at Sinners & present Awards

Sinners & Charges	Awards
<p>Squirt – someone had to jump & bang a sign while Squirt just wandered by & slapped it.</p> <p>Atlas charged for scaring the shit out of Squirt. Figgy interjects & notes squirts physical advantage...</p>	<p>Big Dick – Torque Wench to Princess, we all heard about the 7/11 slurpy fiasco, since you like to suck on things, here you go. *Feels comments: 'Fucking children'*</p>
<p>Chunda – sends the 5 rugrats in the middle!!</p> <p>Princess – for running into 7/11 for a slurpy & for crossing the road when he wasn't</p>	<p>Two Dicks – Atlas to Squirt, can't hear why you noisy trashers. STFU!</p>

supposed to. The rest for almost getting run over by a truck. Fucking idiots. Figgy suggests this could be an appropriate time for a plank...	
Rabbi charges Road Kill: got held up at the crossing, then walked all the way to Virginia trying to get back over the train line! While using the lift, Road Kill pressed the button & it seemed to take a really long time. The doors opened... & they hadn't moved...	Grub Shirt – Atlas ran with the shirt on skin, gifted to Princess for tripping her over
Squirt - Torque Wench & Atlas – these idiots tried to use an abandoned construction pipe as a toy phone, yelling that they could hear each other from each end.	The Bone – Seth absent..ooohhhh, guess who's fetching drinkies for Flower (who has the walking stick)
Feels , charges Structure Fucker for antisocial behaviour. Struckers decided on 3 separate occasions to cross against lights just to avoid chatting to Feels & E.T., he then had to wait for the lights anyway since everyone else waited.	The Walking Stick – Corn Cob to Flower for her sore foot
Corn Cob charged by Ground Sheet since he has one job & he didn't bring the bag for recycling	The Dummies – Where is Bitta Relief? FFS woman!
Atlas charges Squirt for tripping over his own feet, which sends Squirt on a segue to picking up Feels' shoes which she apparently left at the station? Feels is bewildered but says thank you 😊😊	Bonus Charge! The G.M. has made it known that there may be bonus charges offered where he picks someone who doesn't seem to charge people often. That person then needs to charge someone for something or be charged themselves. So, Smooth Ride, do you have a charge?
Structure Fucker charges Feels in outrage that she outed him for crossing red lights. He insists that it said <i>don't walk</i> , so he <i>ran</i> across each set! Feels calls bullshit as they were little red people signals not 'don't walk' signals	Smooth Ride charges Rabbi for this sartorial elegance (or lack of). Rabbi reckons he didn't have his glasses on when he got dressed so everyone's eyeballs are currently bleeding. Well done Smooth Ride!
