## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run no. 2508

#### Hare – Rabbi & Raw Liver

Hoppy Easter Bunnies! It's time for a round of shenanigans at Sandgate! What better way to celebrate a truly Australian religious event... a public holiday!!

Starting from Einbunpin Lagoon with another fruitless search for Chunda's missing torch, it was

lovely weather for a stroll along the promenade, dodging socialable locals & various anklebiters of the human & animal worlds. As the afternoon progressed to evening, I'm sure I saw an eel with glowing eyes in the murky water!

We had a visitor from Darwin Hash! Back Page is normally a ferocious runner but after a recent operation she decided to let herself be corrupted by the walkers.

We picked flowers & played hopscotch & tried to get Little Squirt run over by a train, pics below. Back Page is Darwin's hash scribe so I've added extra pics. Hope you enjoyed the fun Back Page! See you next time you're in town!

On, on, Feels

## The Run

There were 8 runners this week.

The runners thought they were going for a loop around the lagoon, however tricky Rabbi & Raw Liver sent them off through the suburban streets then across Gasworks Creek & down a track through Curlew Park.

After a few cocked dog-legs it was a run along the Sandgate foreshore park with a long loop back along the waterfront path with loads of dogs to dodge (or pat). Runners were encouraged to follow the path for as long as they wished before returning but none of the lazy bastards went any further than they had to. Surprise, surprise...

**The run was 5.6 km**

## The Walk

Ahhh, the walk was fun! Taking a wander towards the creek we found a random hopscotch grid, so, of course, we had a go! Some twists & turns through suburban Sandgate took us to church & a pretty view over the water.

Dodging the crowds who were enjoying their religious holiday & having a laugh, the walkers progressed over the trainlines & tried/tied/tired Squirt took the opportunity to have a little lie down on the train tracks (The line is currently closed for trackwork). Once everyone was up & running/walking again, the local flora was ransacked & became a feature on our return to the park for general hilarity.

**The walk was 2.54 km**

## The Circle

Whyyyy are we waaaaaaaiting.... It's pay out on **Figgy** day!!

**Run Number: Ten Fingers** is fucked if he knows what the run number is... **Streaky** had some help to come up with the correct 2508

**Run Count:** 22 hashers turned up for some proper Easter Monday hashing! No significant or suggestive run numbers this week but **Chunda** has some double figures coming up in 2510.

**Returns:** **Ten Fingers** has no idea where he was, **B1** – couldn't be arsed, (he was in Melbourne of course). **Streaky** has been babysitting & doesn't want to corrupt the babies yet.

**Visitors & virgins:** **Back Page** – loves making herself come, however it was **Pounda** who hooked her up with BNH3. Her Mother Hash is Broome \***Figgy** interjects with 'so you're a broom jockey/witch', however she's also had flings with Kalgoorlie & Darwin. This girl has been around!

**The Hare: Rabbi & Raw Liver**

**Run Report:** **B1** – reckons it was a absolutely spectacular run! He rearranged his life to be here when he found out **Chunda** wasn't organising drinks anymore! \*I'm not sure if he did know that **Structure Fucker** has taken over though... \* He was pleased the trail took him past the one pub in Sandgate so he could stop & have a drink. No idea what he scored.

**Run score was: ?/10**

**Walk Report: Back Page** hasn't been to Sandgate in Brisbane before, only Sandgate in Newcastle (**Feel's** home town!

**Walk score was:** 9/10 - obviously doesn't understand the scoring system or was seriously taking the piss

**Short Walk: Singapore Sling** went over there, then over there, didn't trip over & took him about half an hour

**Short Walk score was:** 3/10

**Security: Tail?** no dog bites, no one attacked them, the homeless in the other rotunda either kept to themselves or had to have the cops called? She got to hang with **E.T.** 😊

**Security score** 1.789/10

**Total Run Score: 13.789 +?/40**

The circle was opened to Charges and Awards as below.

Charges for Sinners	Awards
<b>The R.A. to B1</b> for selectively offering beers at the drink stop to the old farts but not anyone else.	<b>Big Dick – Princess</b> kept it!!! Fucking children!
<b>Rabbi</b> – there's one person here, with half a brain who was laaaaaate... the run started at what time <b>Tail?</b>	<b>Two Dicks – Squirt, to Feels</b> , for drinking while writing the trash & while pretending to care about being vaguely accurate
<b>Structure Fucker</b> – gave a charge for damaging the environment & picking flowers along the way *the <b>R.A.</b> asks if they have flowers in their hair right now? It's a unanimous yeeesssss* <b>CanIHaveAFeel &amp; Back Page</b> fetched & gifted some flowers for <b>Flower</b> , <b>Flower</b> busted for receiving stolen goods...was that why the coppers arrived?	<b>Grub Shirt – Seth to Squirt</b> was late, didn't run but did a walk
<b>Singapore Sling</b> found a wet spot? Woohoo!	<b>The Bone – Seth to Squirt</b> for walking instead of running
<b>B1</b> had a rant about morals & beers & being called a liar, tried to charge the <b>R.A.</b> for charging him (see above) because he went & had his beer & then sought out the old farts as he knew everyone else would have to show ID. Blah, blah, general yapping, told to stfu, next! Charge reversed. Burrrip ( <b>Chunda</b> , I think)	<b>The Walking Stick – Flower - ?</b>
	<b>The Dummies – Bitta Relief!!</b> Where the fuck are you??
