## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2510

#### Hare – Little Squirt & Corn Cob

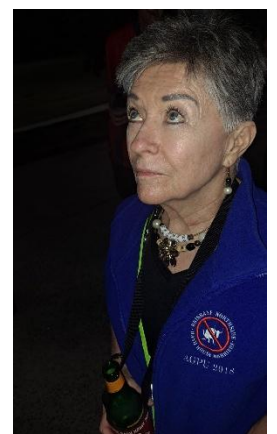

Well well well, here we are again! We are back at Mill Park in Petrie & running amok through the streets. A pleasant run, walk & short walk with a variety of parks, trees, trails, train stations & yapping 'dogs' to keep everyone entertained on their weekly perambulation, there was even a convenient drink stop (for the walkers at least). It was a bit of a mystery trail to go over the train tracks, with various solutions proposed to stay on trail, however, it was pretty obvious that if you didn't take the overpass, it would be a loooooong walk back to the park. Since there were arrows on the other side of the overpass, everyone showed off their superior hashing skills & made it back to the park.

Though, there was a small group who seemed to take a little longer than usual. Just as the powers that be were about to send a search party, one twin had the bright idea to call the other twin & realised the miscreants were already in the park, just taking a leisurely happy wander.

The circle started off strong with the infamous 'Jesus wept' & 'pigfuckingface' making their appearance within the first minute & it was all downhill from there...

Tomorrow it's the Star Wars Babies Birthday run 5pm at Kallangur, with Chunda & Torque Wench both born on May the Fourth (be with you). See you there.

On, on, Feels

## The Run

There were **Atlas, Chunda, FIGJAM, Princess, Seth, Strong As Shit & Torque Wench**. They went up to the footy fields where the dogs were talking & do a lap, around some streets, past a pub that they did not stop at (boooooooo) & found their way back via the train station & without cutting across the tracks.

**The run was ? km**

## The Walk

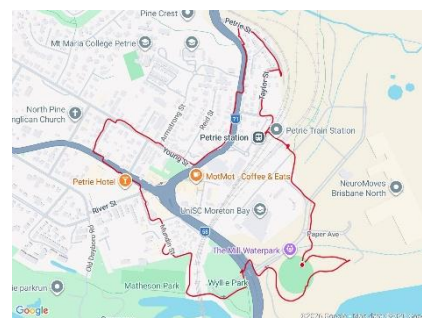

Well, there were 3 versions of the walk...

**The Short Walk:** Road Kill & Ten Fingers took themselves for a wander, followed a few arrows, went this way & that way & came back to base.

**The Fun Walk:** Smooth Ride, Tail & CanIHaveAFeel followed the trail up to the sports grounds, found the arrows to the pub & stopped for something bubbly. After a lovely chat they walked out & followed the next arrow which took them across the lights, over the train station & they were just walking in the park when the hoorays as base called to find out where the fuck they were.

**The Long Walk:** Those whom will now be known as the 'walkers club with no drinking problems' Structure Fucker, Flower & E.T. followed every single arrow possible at the fastest speed possible, maybe the showoffs should join the runners...

**The walk was as long as it was..**

## The Circle

The **G.M., FIGJAM**, opens the circle & the chaos begins. The **R.A., Strong As Shit**, checks that everyone has sufficient lubrication to endure the evening's journey into debauchery & darkness.

**Run Number:** Tail aka Pauline Hansen guesses **2508**, which absolutely devastates her bestie, Flower, who let's out the first 'Ohh Jesus WEPT!' of the evening. Which reminded an unnamed punter to release a buuuuurp to trigger the 'pigfuckingface' followed by the 2<sup>nd</sup> Jesus wept, & we are literally 1 minute into the circle & no-one can control their laughter. Figgy hits **Smooth Ride** up for the run number & she gets it correct with **2510**

**Run Count:** 20 happy hashers had their sentences read (run count) with Corn Cob on 95 & Ground Sheet on a pretty 111

**The Hare: Corn Cob & Little Squirt**

**Run report: Torque Wench** was asked her opinion of the run & she said she enjoyed the run, it had some interesting sections, no hills but some pretty steep 'rises'. There was parkland, suburbia, some false trails & a bunch of shitty little dogs running at them from the sports fields. Torque Wench gives it a **3/10**

**Walk Report: Smooth Ride** decides that it was her best walk this year! We stuck to the trail, did not deviate from the arrows (there were some raised eyebrows in the circle but it's true!). Figgy asks if it was the best walk since Agadoo/AGPU but Smoothie reckons it's the best one this calendar year! Hurrah!! Gives it a **1/10**

**Short Walk Report:** There was some debate about who did a full walk & who may have done a short walk... **E.T.** who did the long walk said it was wonderful, great, we went through woody hills, over the train station (Smoothie - so did we), though the park... **2.5/10**

**Security Report: Little Squirt** sat around & apparently did nothing so no score

**Total Score: 6.5/30**

**Returnees:** none this week, we scared them all off last week 😊 😊

The circle was opened to level Charges at Sinners & present Awards for misdemeanors

Sinners & Charges	Awards
<b>Torque</b> mentions that <b>Squirt's</b> glasses are obviously mega magnifiers because the arrows at the station were so damn small &	<b>Big Dick – Chunda</b> was feeling greedy so kept it to himself for another week

there were none over the bridge. Someone pointed out that it's illegal & people get upset if Hasher's try go over the tracks, sooo.	
<b>Tail</b> charges <b>Flower</b> , her best friend, with absolute total cowardice, as she refrained from joining the onesie nation party last weekend. She declares that Flower <b>will</b> wear the wig at some stage. Strong As interjects, 'she just wanted one time when you didn't look the same – & no-one called you the wrong name all weekend!' Circle collapses & crack themselves laughing.	<b>Two Dicks – Squirt to Princess</b> for his cockiness re Seth's hash attire.  Princess was specifically told not to come home with any dicks tonight by his father, however he's away this week so *shrugs shoulders*
<b>Princess</b> – to the G.M & R.A., as you know we wear hash gear at hash & looking around I see someone... *The R.A instructs <b>Seth</b> , 'quick, pull your shirt up!' He does* Bahahaha, he has a hash shirt on, reverse the charge, get in the middle... omg, the look on Princess' face! Didn't even get a song, just a drink!	<b>Grub Shirt – Feels</b> gifts the grub shirt to the somersault king, <b>Structure Fucker</b> , for doing somersaults with the kids tonight after hurting himself 3 days ago – we all want to see the bruises & marks!
<b>Torque – Princess &amp; Atlas</b> not just 'not competitive', 'not racing', they were screeeeching at each other, squealing 'onnnnn onnnnnn' like lunatics. Reverse charge as they were following Figgys object lesson from last week to use their gonads or ovaries to make some noise. *Someone near me comments that when you have ovaries & you're making excited noises it's more like ohhh, ohhh...*	<b>The Bone – T Wench</b> hands it off to <b>Smooth Ride</b> so she has something to protect herself with on the train, Smoothie thinks using it creatively might help with her ovaries.
<b>Corn Cob</b> asks <b>Feels</b> ... did you bring all the utensils, it seems the ladles aren't here. Torque pipes up that it was delegated to the children, but the question is raised, so. Feels has a little gift or 2 for the Star Wars Birthday bashes...	<b>The Walking Stick – Little Squirt to ?</b>  Feels was laughing too hard & has no idea.
<b>Structure Fucker</b> brings <b>Corn Cob</b> to the middle & suggests that next time he sets a trail, he picks up his tools up. Hands over a random ladle 😊😊😊	<b>The Dummies</b> – Biiiiiiitttttttttaaaaaaa! You can wear your Pauline Hanson wig if you bring back the dummies! Spectacular shenanigans by the way 😊😊😊
<b>Ground Sheet</b> orders <b>Corn Cob &amp; Squirt</b> to the middle – she offered to bring utensils but they said noooooo, so she went all the way home so they could stir the pot.	

**This week's Hash Mash:** Sweet & Sour chicken with rice. Followed by ice cream
