HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2511

Hare – Seth

Seths first run included a virgin ground, virgin Hare...should have been held in Virginia. Instead, it was an Albany Creek run which puts it solidly in the middle of the Northern Brisbane Rollers province so lets play some roller derby while we're here! Get ready for thrills, spills, booze & shenanigans!

In other hash shenanigans..

- Rabbi away till June, Raw Liver away till October. Wahhhhhhhh!
- Tail still drinking Germany dry & I see she caught up with Jake the Peg!
- Heart Starter & Overproof using defibrillator pads to wake up dormant Hash Houses wherever they go
- Pounda finally had surgery no.15 for the shoulder that he busted falling down the stairs on his first day? 3rd day? Within the first week anyway, of moving to his new place in the depths of despair (Melbourne).
- Little Squirt is not pregnant

On, on, Feels

The Run

There were 5 runners this week: **Atlas, Seth, Strong As, Torque Wench & Puke** (half a Chunda, apparently he went walkabout). This solid pack would normally run a little slow to help their jammer (point scorer) avoid obstacles, find a path & clear out any attackers (toads)... however since the jammer was in the sin bin (away in Darwin) the pack sped up & went so fast they didn't even see any!

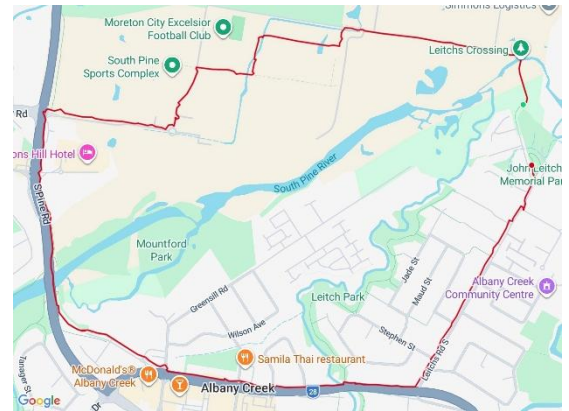

Starting from John Leitch Memorial Park & heading down to cross the river, it must have seemed like a lovely sojourn through bucolic suburbia, even catching a glimpse of Wantima golf club. Oh how deceptive! A tempting drink stop at the Eatons Hill hotel before a loooong loop along South Pine Rd, around to Albany Creek Rd, past the skate rink & back down Leitchs Rd.

The run was 6.9 km

The Walk

The walk was a fucken long one. Although technically skateable, no one brought skates & no-one thought to hire any from the skate rink they all passed. Which, incidentally, is where Feels, sometimes Princess & occasionally T-Wench spend their Saturday nights. I seem to remember B1, B - & the G.M. giving it a go a couple of years ago.

I believe the walk was the same trail as the run except for those short walkers & fuck only knows where they went!

The Circle

The fabulous **Strong As Shit** stood in as G.M. since FIGJAM has fucked off to Darwin for a serious drinking session. I heard bottles per person (yes, plural) of booze were consumed & somehow, they all survived. Puke made it back to base & transformed back into **Chunda** who donned the R.A duties.

Run Number: **SAS** had her work cut out with the bunch of dilettantes who didn't know the run number, as follows...

***Rabbi** – one more than last week, one less than next week 2009, 2010, oh wait, 25 something! 11? 13? ***Channel Marker** – no idea? 2003? ***10 Fingers** 2525 (general hilarity) ***Little Squirt** 2512 ***Corn Cob** 2512 (**SAS squealing in frustration**) ***Torque Wench** 2511 Yaaayyy! ***Rabbi** see! One more than last week!

Run Count: 18 plebs who didn't bring wheels *sigh*

The Hare: Seth

Run report: Torque Wench – there's a bit of a debate on who needs to be in the middle eg: hare/whoever is giving report. **T-Wench** reckons the run wasn't too bad, had a bit of darkness & a bit of light, it was a first run, but since squirt was involved, neg 5 points... *someone points out that -5 is good* 'well, then add 5 points!' She gives it a **3/10** so no-one knows where those points went 😊 😊

Walk Report: Flower thought it was long, with pissy little arrows, but a good run for a first effort, **1/10** *omg!*

Short Walk Report: Cheeky Monkey thought it was a good, nice walk & with nice friends, ice cream was a bonus **1/10** *must have stopped at the Baskin Robbins outside the skate rink...*

Song Stop: Outside the cop shop there was a song stop and apparently the wrong song was sung. According to **Flower** they should have sung – 'ten sticks of dynamite sitting on the wall'.

Total Score: 5/30

Returnees: none

The circle was opened to level Charges at Sinners & present Awards for misdemeanors.
Chunda opens:

Sinners & Charges	Awards
<p>T-wench accuses Seth of the attempted grand theft of 60c by not having receipts for the Hash mash & estimating the cost. The 60c was reconciled by diligent Hash Cash.</p>	<p>Big Dick – Chunda gives it to Seth, since he did a pretty good job for his first run, so he gets the big dick for a good (inaudible) job.</p>
<p>Singapore Sling invites Rabbi to the middle, asks him to tell us about the major operation he’s had in the last week... Rabbi thought about claiming that it was a lobotomy but that would be an insult (Ha! Very quick off the mark, Rabbi, bravo!)</p> <p>Apparently, this reprobate was in city hall being entertained by the mayor. He can now yell Aussie! Aussie! Aussie! OiOiOi! with the most bogan of us as he got his Australian Citizenship. He’s brought some beers from the Soloman Islands (wtf). He gets a rousing version of Waltzing Matilda. Surprisingly it’s the traditional version, not the slang.</p>	<p>Two Pricks - ????</p>
<p>T Wench points out Atlas’ bruise (see pics), charges her with trying to run with her face. Ten fingers offers the walking stick but is declined.</p>	<p>Grub Shirt –Structure Fucker, to Little Squirt for time travelling & something about numbers on a shirt.</p>
<p>Ground Sheet half charged Little Squirt with half charging the lights for hash, apparently they were fully charged but something fucked up.</p>	<p>The Bone – Smooth Ride gives it up to Chunda after giving it a good polish</p>
	<p>The Walking Stick – Chunda to Ten Fingers to help him speed up a bit</p>
	<p>The Dummies – Biiiiiiiiitttttttttaaaaaaaaaaaa! Shift your arse & come to hash so you can ditch the dummies! *Feels starts praying that Bitta doesn’t forget the fucking dummies when she does return to the fold...*</p>
