## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2512 - The Star Wars Edition

#### Hare – Chunda

A 5pm start on a public holiday usually has the crowds in attendance, especially on **Chunda's birthday!** Fun fact, it's also **Torque Wench's birthday!** Even better, **Cheesecake** returns!! After gallivanting around Victoria with Pounda & tasting ALLLLLLL the wines & beers, he's come home to give his liver a rest...

The general idiocy started early with neon party glasses for the birthday pair & everyone signing a couple of drinking vessels. Continuing with exposures of party popper confetti which Chunda will be seeing scattered around his backyard for months 😊😊. Would I/we do that? Absofuckinglutely!!

Completing the space vibes, we have a visitor from Washington DC by the name of '**Close Encounters of the Turd Kind**' or 'Turd' for short. Staying in Oz for a few weeks, he found us on the internet & turned up full of enthusiasm & a couple of new songs - well, Feels hadn't heard them before.

May the Fourth be with you!

On, on, Feels (CanIHaveAFeel)

## The Run

There were 5 runners: **Atlas, FIGJAM, Seth, Torque Wench & Encounters of the Turd Kind** who is visiting from Washington DC.

With more runners than walkers, it was a decent sized pack that galivanted around the streets of Kallangur. Mostly along familiar tracks, however, considering how often Chunda offers to host us (thank you!) at least no-one gets lost 😊. So, round some corners, across the creek, past the ghetto blasting basketball game in the park where a couple of running strides turned into dance moves, up along the track & round a few more corners to cross back over the creek & homeward bound for the BBQ!

**The run was 5 & a bit km**

## The Walk

With only a few walkers it was a fairly fast pace through the suburban jungle of Kallangur with time for catch up chats with Cheesecake & Little Squirt. So we got to hear about the wineries, the boozing, the bike riding, the more boozing & an uncanny **lack** of Pounda abusing bollards. Hmmm, there's something a little suspicious here...

The walk took a wander left along Sheehan St, a dog leg that set the local dogs off, then down to brickworks Rd till we hit the paths that meander along Freshwater Creek. Over the bridge & surprising some kids fishing in the mucky water, past the rapping basketball game, up & along Leslie St (apt) then hooking a right on Duffield to begin the journey home.

A bunch of people were late, took a short walk, forgot things & had to go fetch them so security was a bit crowded.

**The walk was exactly 4km**

## The Circle

The **G.M., FIGJAM**, opens the circle & welcomes the **R.A. Advisor, Cheesecake** back from the depths of despair (Melbourne)

**Run Number: Road Kill** states 2512. He's right! Yayyyyy! Good job! It's been a while since someone got the correct number straight away (he says he read it! 😊). Circle sings 'Hiiiiim, Fuck hiiiiim! Drink it Down Down'

**Run Count:** 1-5 Corn Cob (not here) 5-14 Atlanta, Atlantis, I mean Atlas! 15-17. 17 celebrating hashers.

**The Hare: Chunda** the birthday boy

**Run report: G.M** asks the visitor, **Turd**, what he thinks. \*In full American accent & volume\* What a shitty trail!! Perfectly wonderful run, well-marked gives it **3/10**

**Walk Report: Feels** - well marked, very nice, no hills, lots of birds & a dance stop! I enjoyed it & gave it **2 /10**

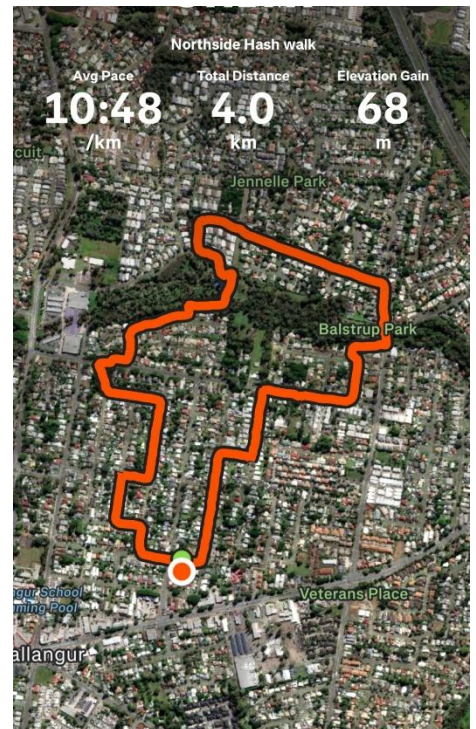

**Short Walk Report: Ground Sheet** did a Labor Day walk, but it wasn't Hash so it doesn't count. **Road Kill & Ten Fingers** did a short walk, Figgy asks Road Kill, 'what did you think?' 'Well Ten Fingers & I did the short cutters \*Figgy splutters & explains (again) that short cutters are horrible little people who don't do what the Hare told em to\*' Road Kill noticed there was a lot of close-set houses, we walked down one street then came around the block. Gives it 4/10

**Security Report: Little Squirt** was asked but since the Religious Adviser told him to shut it at the beginning of the circle...

**Total Score: 9/30**

**Returnees: 'Cheesy**, where have you fucking been?' 'Around & about.' 'Why not at Hash?' 'Coz I don't give a fuck.'

**Visitor: Close Encounters of the Turd Kind** is visiting from Washington DC, says the internet made him come, I looked it up on the internet & here I am. Circle sings True Blue.
