## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2513 - The Hills (the f.ing hills)

#### Hare – Road Kill

I know it's a cliché to start with 'The Hills Are Alive' when we're at Everton Hills for a Road Kill trail, but honestly the night was an adventure for the ears. Some of the sounds that were verbalised this evening will live in hash history forever!

From the usual twitter of birds, barking of dogs & Road Kill lying through his teeth when he says there are no hills (hahahahaaaaa), to the banter on the trail as the walkers & runners overtake each other, to someone singing at the beginning of the circle? Oh wait, we're waiting for the girls to finish talking.

And then there was FIGJAM's impression of E.T.'s horrified laughter when she slipped & tipped Singapore Sling out of his wheelchair onto the wet grass. Oh. My. Gawd. A sniggering leprchaun mixed with a swamp troll would bring more pleasure to the ears! I'll try to make a sound bite & embed it if you want to have your ears turned to stone. Singapore said he was ok but do we believe him? We'll check in next week.

Seriously, that cackle was something else!

On, on, Feels (CanIHaveAFeel)

## The Run

There were 8 runners: **Atlas, FIGJAM, Mikey, Princess, Seth, Strong As Shit, Torque Wench & Close Encounters of the Turd Kind,**

With more hills than in the Sound of Music movie (not that I've ever gotten around to watching it) the run took a little longer than expected when Princess took a deviation & dragged the runners up an extra hill when he missed a check. This allowed time for the walkers to catch up & for Torque Wench to pause for a minute to act as a traffic controller (minus the high vis) so the walkers didn't get lost. A wander past the park then up & down more hills, round the round-a-bout, over another hill & then round the usual trail home.

**The run was a bit over 5km**

## The Walk

Ooooh, this was a doozy of a walk! A lot of fun even with all the hills, the runners were sent on their extra loop & caught up with the walkers when we were all only a few streets from home. It was a perfect opportunity for the FWB (fast walking bitches) to remember their glory days & give the FRB (front running bastards) a hip check when they went past, cheeky sods. Well-marked, some new territory, & the timing was lovely.

**The walk was 5.02 km**

## The Circle

The **G.M., FIGJAM**, patiently waits for the girls to stop chatting...then hits up Bitta Relief for the run number...

**Run Number: Bitta Relief** couldn't even tell us the first number.. 25 something something \*random wankers chime in with various outlandish suggestions\*...2519??? 'No.' **Princess** '2515' **Channel Marker** has no idea guesses 2530? 'that's next year!' **Cheeky Monkey** in the middle. **Figgy** gives up & informs them all it's 2513!

**Run Count:** 19 hilarious hashers rocked up to **Road Kill's** place in the Hills.

**The Virgin:** Well, first **Torque Wench** gets a 'She's Stupid' because she didn't make sure **Mikey** had a drink when he entered the circle... Naughty T-Wench! Mikey is then fortified with a drink. Whereupon T-Wench is promptly called out for not having a drink of her own! Fiiiiinally getting around to the pointy bit, which is asking the virgin a bit about themselves & who made them come...Mikey says T-Wench made him come which set off the peanut gallery. He doesn't seem to really know much about himself, so we'll make it up for him.

**Returnees: Bitta Relief** has been watching movies, Netflix & chilling & not watching porn because you gotta pay for that now! Half the Hashers are up in arms & reminiscing about when it was free & you didn't have to register to watch porn, a quarter are absolutely pissing themselves laughing & the other quarter suddenly became very quiet & were listening intently... still, at least she's been living up to her name!

**The Hare: Road Kill**

**Run report: Atlas** – besides the hills, she really enjoyed the run gave it **4/10**

**Walk Report: Bitta Relief** – comments that **Figgy** had his little robot legs on, it was a bit different to all other trails they've done before, these hills were fun. Figgy reckons he heard her say 'go on big boy' then tried to overtake him. **3/10** I think

**Short Walk Report: Corn Cob** thought the short walk was excellent, they went around the park, gives it **2/10**

**Total Score: 9/30**

**Visitor: Close Encounters of the Turd Kind** from Washington DC returned to witness another episode of Northside HHH shenanigans

The circle was opened to level Charges at Sinners & present Awards for misdemeanors

Sinners & Charges	Awards
<p><b>Turd</b> nominates <b>Princess</b> as the sinner because Turd was charged last week with not being loud enough when calling checks. This week Princess misinterpreted an arrow &amp; led them astray up an unnecessary hill &amp; back down again.</p>	<p><b>Big Dick – Atlas</b> is keeping it for herself for another week</p>
<p><b>GM</b> passes on a charge from Melbourne, when <b>T-Wench</b> was visiting <b>B1</b> she started renaming the streets like Jacinta Allen. Bourke St is now Bork St &amp; Buchanan Rd is now either Buckinan or Butchinan Rd. She replies with 'it's Litle Bork St!' (Little Bourke St) <b>Flower</b> relates a story about tradies hassling her when she was 20 yrs old as she was running down Bourke St &amp; the tradie says 'Careful love, you'll boil your water', she replies 'Don't worry, you won't be scalding your dick in it!'. The <b>G.M.</b> disputes this version saying pay parking didn't exist when flower was 20, multiple Hashers chime in with maybe when YOU were 20. <b>G.M. concedes</b> (perhaps first time ever?)</p>	<p><b>Two Dicks – Princess</b> to the Hare, <b>Road Kill</b>, for letting his killer background try to take everyone out by giving them heart attacks with all those hills!</p>
<p><b>Bitta</b> charges <b>Turd</b> with not wearing a hash shirt, Turd hasn't done his laundry yet, would she like to smell his underwear?</p>	<p><b>Grub Shirt – Cheesecake</b> is adding more cheese to the shirt</p>
<p><b>T-Wench</b> charges the regular jester, joker, fun guy, <b>Road Kill</b> – what does fungi grow on - shit! During run instructions, he said there were no hills... full of it!</p> <p><b>Structure Fucker</b> steps in as <b>Road Kill</b> said the arrows were on the left but they were on the right, G.M. interrupts &amp; says they were on the left on the way home, just facing the wrong way</p> <p><b>Turd</b> piles on since <b>Road Kill</b> said none of the marks got washed out, calls more bullshit.</p>	<p><b>The Bone – Seth</b> holding on to the bone for another week</p>
<p><b>Little Squirt</b> charges <b>Channel Marker</b> with having shiny new shoes &amp; saying the reason she's not going to walk is - she has new shoes...</p>	<p><b>The Walking Stick – Ground Sheet</b> to <b>Singapore Sling</b> to try &amp; help keep him upright. Or he can use it to protect himself from E.T.'s slippery schemes</p>
<p><b>Figgy</b> calls out <b>E.T</b> for having a red hot go at taking <b>Singapore Sling</b> out. Going arse up on the wet grass, tipping him out as she went &amp; not being able to pick him back up! The sounds of Figgy imitating a sniggering leprchaun mixed with a swamp troll are a sound that will live on in Hash history forever. ET get in the middle.</p>	<p><b>The Dummies – Bitta Relief</b> OMG! She showed up! With the dummies! Wonders will never cease! Only to give them away to... Little Squirt, nooo too obvious... CanIHaveAFeel? Hmmm, can't remember why I would want to do that (Feels can :-D )... Oh! <b>Seth!</b> For whinging about the cold.</p>
