HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2517 – Everton Park

Tail

Hola amigos, cretins and others. Welcome to a Torque Wench (*mostly*) authored Hash Trash because I am a wonderful daughter (*she is*) and decided to help the elderly (*get f*cked*) with her homework.

This week we wandered off to Everton Park for a tantalising Tail adventure and were met with many childhood classics – stolen trollies, jostling bridges and even a children's bike! You're never too old to go over the handlebars.

A Spotlight for Little Squirt for achieving employment (even more reason to bully security guards) and unlocking the legendary "Jesus Fuck" totem after releasing a truly ghastly burp. Congrats (?).

On, On, *Torque Wench (& Feels!)*

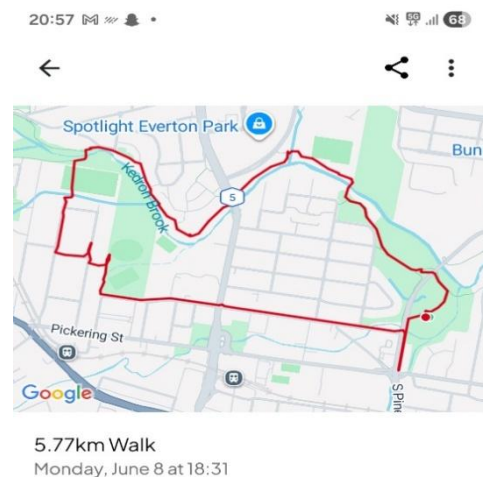

The Run

The usual suspects (cough, runners) being **FIGJAM**, **Princess**, **Strong as Shit**, and **Torque Wench** began in Teralba Park and decided to escape the company of the walkers. We then dicked around looking for the trail because TAIL was cheeky and placed the arrow behind a light pole and made us ALL look like fools. We ran around some familiar and unfamiliar territory, ended up in the suburbs, went over some creeks and found ourselves back in the company of the walkers. (*Runners neglected to send a map – geez!*)

The run was longer than necessary

The Walk

Ohhhh, I remember this walk! The runners fucked up in the beginning & the walkers were chatting away until we reached the corner & there were no arrows, so we back tracked & crossed the road to find the sneaky arrows. After a long straight to stretch the legs out, there were a few checks that let Ten Fingers catch up with Structure Fucker & Feels. We looped onto the bike path along the creek & found (of course) a shopping trolley which some lazy local couldn't even be bothered to put in the creek where it belonged. So, we tried to speed the whole 10F situation up by putting him in the trolley! But of course, he's so fucking old that his knees wouldn't bend far enough to stay in the trolley so then we had to get him out again...which took a while...

The walk was 5.77 km & Ten Fingers did the whole thing!

The Circle

Run Number: We open the circle with FIGJAM actively punishing ET for fetching beer (criminal!!) by asking for the run number... of which she cheated and still fucked up. Floater was then put on the spot and what happened? He fucked it up. Typical. Torque Wench was then called upon and correctly guessed 2517- HUZAZH! Down Downs for the innumerate.

Run Count: 21 hashers rocked up to Tail's happy trail to drink piss and reminisce on childhood memories by abusing some poor toddlers' bicycle... (*back in myyyy day... we used to ride 15km to school on one of those...*) how is the bruise going Coco?

Hare: Tail was called forward and met the "STONE THE WITCH" calls. Deserved? 110%.

Visitors: **Coco Chanel** and **Floater** skipped hash for an unholy 17 weeks – frankly the GM couldn't give a rats arsehole hair for their inconsistency and gave them a beer for it. Is this punishment or reward?

Run report: **Torque Wench** – VERY well marked and VERY cheeky. However, 4 arrows right next to each other pointing the same way was a tad overkill.

Run Score: Gives it 4/10

Walk Report: **Ten Fingers** was asked for his opinion, he reckons it was good and loved the squeaky bridges. that's about it.

Walk Score: 6/10

Short Walk Report: **Roadkill** – Did a round out yonder, went under a bridge and stalked a kindergarten, pointedly ignored the pushbike that was later abused. Overall, a satisfied young Hasher.

Short Walk Score: 2/10

Total Score: 12/30

The circle was opened to level Charges at Sinners & present Awards for felonies

Sinners & Charges	Awards
R.A.'s Sinner: Little Squirt is being banished to hell for releasing a burp so violent, it unlocked a new expression from Flower. "Jesus Fuck" is the new high score.	Big Dick – Princess left it at home to reuse it.
Torque Wench charged FIGJAM (<i>FIGJAM... unless it's MAJGIF</i>) for a capital crime. He committed alcohol abuse last week after the circle. As a tyrannical society the messenger was shot and T.W had to drink for not asking the RA permission. Buy us a keg GM!! The people call for a keg!!	Two Dicks – Little Squirt to Princess for being a dickhead and hitting his head on a tree... CanIHaveAFeel was less than impressed.
Chunda throws Ten Fingers in the middle for jumping into a Coles troll(e)y like a juvenile – call me a libtard (<i>what the fuck is a libtard?</i>) but let the man be a child!	Grub Shirt – Chunda (Cheesy by proxy) to Ten Fingers for jumping in the troll(e)y and being a grubby old man.
FIGJAM charges Ten Fingers for lying to the GMs face – he then cops the masturbation song which I hope wasn't also in the GMs face.	The Bone – Chunda to Little Squirt for being presumptuous about his status of Bone recipient... he was right though.
CanIHaveAFeel charges Ten Fingers for not letting her push him down the hill and for not tipping the driver. She then had to join him for her inaction.	The Walking Stick – FIGJAM gives this to someone who doesn't know fuckall about Hash... Torque Wench apparently doesn't know fuckall about hash... oops.
Torque Wench charges Princess for saying stupid shit. Simple as that. He then smacks his head into the tree. Idiot. GM upgrades this to a bonus beer.	The Dummies – Squirt gives Tail something to suck on for her 69 th birthday!
Floater charges Structure Fucker for fucking the structural integrity of the toddler's bicycle.
