HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2518 Kallangur

Hare – Chunda

Dark & twisted & that was just the Hare! Chunda must have been drunk when he set this one as it wandered in & out of the nature strips, with quite a few false trails, was dark as pitch for the vast majority of it & torches were most definitely needed (shut up Structure Fucker, Mr 'You don't need a torch!')

There were multiple regroupings so Ten Fingers could catch up & not get lost, even though he lives around the corner. I hear he has actually walked straight past Chunda's place before & had to be fetched... there was a minor hill or two but nothing to bitch about, though there's definitely some bitching later so all is not lost & some pretty flowers along the way.

Tail & Cheesecake have both been out of action with medical issues lately, Tail has been enjoying the rainy days because no-one expects her to do a thing & Cheesy has rejoined the short walkers as he stretches things out again. It's good to hear things are getting better for both of them!

There are a few announcements for future shenanigans later in the trash so this one may be worth reading instead of just looking at the rude pictures.

On, on, Feels (CanIHaveAFeel)

The Run

There were 5 runners, **FIGJAM**, **Google Maps**, **Princess**, **Strong As Shit** & **Torque Wench**.

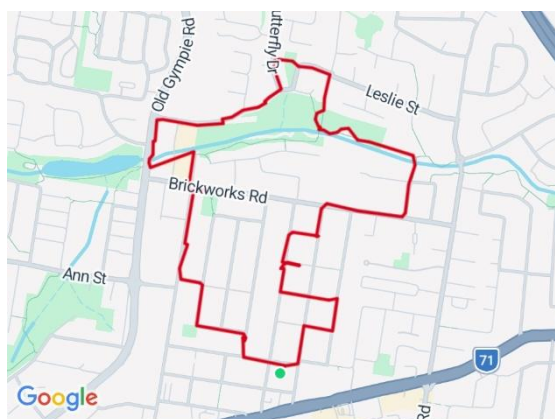

The runners went left & they went right & they went left & they got lost. Then they finally figured out there were several elaborate false trails & doubled back to alert the G.M. so he wouldn't be too puffed to chair the circle – so considerate!

Princess emulated Ten Fingers by shooting straight past Chundas house & Torque Wench hit turbo speed to chase him down, while scaring the neighbours with her hideous screeching which was almost as scary as Little Squirt doing his Rasputin dance after the circle....

The run was 5.57 km That's what the G.M. said & I ain't arguing with him.

The Walk

4.60km Walk
Monday, June 15 at 18:31

The walk was a master class in how to walk a long way without getting very far! As demonstrated in the map, twists, turns & windy dark paths prevailed... even the basketball area was deathly dark & silent.

With all the wrong'uns set for the runners, they didn't catch up to the walkers until the basketball courts & boy, were they thankful that we'd marked off the half dozen or so side adventures just before the bridge over the creek!

A meander home via the shops where 'someone' who's name I won't mention *coughStruckerscough*, seriously considered some shopping trolley action & somehow some gardenias & hibiscus flowers ended up in my hair...

The walk was 4.6 km according to the previous G.M. & I ain't arguing with him either.

The Circle

The **G.M.**, **FIGJAM**, calls the circle

Run Number: Cheesy - one more than the last one, guesses 25something, G.M gives the clue '25 & Little Squirts age' Cheesy: 2502, Smoothie - 2525? Noooo. Ten Fingers - 2517 so close but so far away *someone starts singing so quickly moving on*...Google Maps *R.A.* 'shiiiiit' (1) 2518 yayyyyyy!

Figgys bear story/joke/education/porn

Run Count: 20ish Hashers rocked up even though Chunda has made enough mash to feed 50... significant runs – Figgy - 450! Singapore Sling 197 doesn't look a day over 190...

Hare: Chunda & Structure Fucker but Chunda is bitchin in the kitchen

Google Maps is asked for the run report *R.A.* 'shiiiiit' (2) *Chunda is dragged out of the kitchen & into the circle to continue bitchin* *R.A.* 'shiiiiit' (3) There were way too many 2 ways, way too many 3 ways, there were just too many over the amount that she was ok with. Put away your dirty minds people! (Chunda attempts to refute but is reminded that he is not allowed to talk in the circle)

Run Score: 5/10 – there is consternation in the circle & now we will wait for future Hash's to see what shenanigans will eventuate 😊

Struckers & Feels did the walk so **Feels** does the report: there were several little adventures, let's call them side quests, so the groups met up every now & then, which was lovely. Ten Fingers managed to keep up. Cheesy reckons 'this is always a bonus'. I did enjoy it & I ended up with flowers in my hair so, bonus! & right about then, some fucker burps hard enough to get a pig-fucken-face from Flower 😊

Walk Score: 1/10

Short Walk Report: Cheesy walked with walkers for a little while then walked with all his friends
*looks around, what friends? *

Short Walk Score: 1.5 /10

Returnees: Smooth Ride has been galivanting around Canada; she was helping Trump? through helping the Canadian economy & cheers for **Cheesy** who's been dealing with 'a bit' of fire hose issues. Operation done, & hopefully all gone!! Community reminder, spread your arsecheeks boys & get fingered (by your health professional...or gay Hash)!!

Toad Count: no toads, not even Toad. Sad face. 😞

Total Score: 7.5/30

The circle was opened to level Charges at Sinners & present Awards for misdemeanors

Sinners & Charges	Awards
R.A.s Sinners 2 runners in the shopping trolley... also Princess for hiding in the bush, trying to scare them but they took so long that he got cold & got up. Then the trolley shenanigans of T-Wench & Princess	Big Dick – Princess to Channel Marker , no idea what for or how, am assuming an immaculate transfer was responsible. The only other option is a magical moment & to steal Flower's term, 'jesus fuck' no, the end of Feels' tether is reached!
G.M. asks Feels some very personal questions regarding historical drug use around the time of T-Wench & Princess' conception, looking for non-congenital reasons why they can be so fucking stupid, which is quite kind of him. Feels confirms no drugs, mushrooms, alien abductions were involved, just good old-fashioned 2x alcohol-soaked celebratory occasions. Does that count? Feels is not sure if this is a sinner, rant or charge designation...	Two Dicks – Princess announces that he has 2 dicks *Feels eyes roll to the back of her head, evidence in Shenanigans* he offers them to Google Maps R.A. 'shiiiiit' (5) General hilarity. Chunda is awake past his bedtime & decrees 'Hash quiet & move on.' I suppose he is the Hash Elder & should probably go get his beauty sleep... so no-one finds out why in the end. <i>R.A. 'shiiiiit' (6)</i>
'Buuuurpppp' 'oh you pig fucking face' T- Wench notes that we're a pretty tight-knit group, don't go around committing crimes against each other, it's not very 'Hashy'. So why did Princess steal Google Maps torch? She was chasing him screaming/squeaking 'give me back my torch, gimme back my tooooooorch for most of the trail...' Down, down, down your beer... Flower comments 'but you wouldn't know about that would you?' Everyone cracks up. <i>R.A. 'shiiiiit' (4)</i>	Grub Shirt – Ten Fingers to E.T. & Singapore Sling for overachieving by getting banged three times in three days by Samford Hash, Bribie Hash & Northside Hash. Everyone contributes what they think they know about various Hash schedules so the overachievers can extend their bang streak. As a matter of no interest, is there a record/schedule for a Brisbane based 'Hash crawl'?
G.M. notes that there is no training at Hash. Also notes that one amongst us has been training on Friday mornings. G.M. walks with men's group around Central Lakes & sees a certain Google Maps in her Hash shirt 'training'. Maps reckons it's a fair call & takes the drink.	The Bone – Squirt to T-Wench Faaaarrkkk!!! Dude! For gallivanting around with the shopping trolleys that Ten Fingers & Feels assiduously turned their faces from because they had too much fun last week. Sorry G.M. I think the trolley fixation might just be genetic after all. Thanks for trying though...
Ten Fingers charges Smoothie with getting lost getting here, just from the railway station <i>R.A. 'shiiiiit' (5)</i> annnnd she doesn't even have a drink to drink! Boooooooooo! G.M. awards Ten Fingers a bonus beer for getting a charge	The Walking Stick T-Wench to Princess Oh for fox sake! What happened to keeping the awards out of the house! This was awarded for

through without any protests... Chunda concurs, Flower brings out a new song, something about a dose of gout?	being faux drunk & faux falling in a bush in an attempt to be foxy & fox the runners up.
T-Wench charges Princess with overachieving by screaming past Chunda's yelling 'on left' 'on right' & she had to go screaming 'on back' like 4 times & scared the neighbours (see run overview) G.M. asks Feels if she's suuuure she didn't take drugs around the time of conception. Cheeky fucker. You are our fuckwit, our only fuckwit...	The Dummies – Toad's still sucking
