HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2519 – Bluebell Park, Caboolture – Torque Wench

Good Evening/Morning/Afternoon. Buenos Noches/Dias. Ohayo/Konbawa/Konichiwa Hashers. I will preface this trash with a disclaimer that we haven't received a recording for this trash so it will be written with the unreliable memories of CanIHaveAFeel and I.

CanIHaveAFeel wasn't even there... oops.

This week the Hasher's braved the dodgy trail to South Cairns... Also known as Caboolture, for a Torque Wench special. We had fascinating arrows that turned their attention to the heavens for the signs from above, a lovely trip by the lake, and a drink stop that made Chunda well... chunda...

The Hasher's were rewarded with swastikas and slurs drawn on the table by the delinquent Year 7s - really gives me a bad name aye? ALSO, can we PLEASE bring duct tape for Squirt in the circle?

On, On,

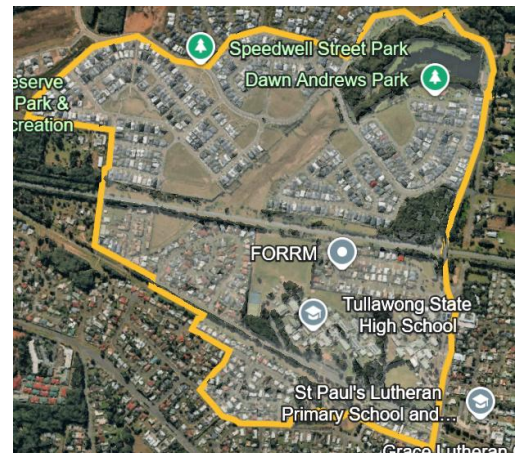

Torque Wench

Feels disclaimer... the reason that 'we haven't received a recording for this trash' is because, despite asking most of the attendees over the last few days to check their phones, this spectacular Muppet of mine DID THE RECORDING HERSELF!!! Bahahahahaha!!! That is most definitely a charge incoming...

The Run

This week we had the brave Princess, Chunda, FIGJAM, Google Maps, Ned and Strong as Shit run through the asscrack of Caboolture. They ran through the streets neighbouring the park to scare the neighbours, hopped onto the Rail Trail, went under the mystical D'Aguilar Highway into the posh new development housing southeast of Moodlu. They ran through admittedly boring streets, rounded the lake and popped into Torque Wenches Dastardly Drink Stop™. They then weeweewed up over the highway, past crackie school... I mean Tullawong State School and the piggies ran straight home to Bluebell Park. Alive.

The Run was 5.5km? 6km? give or take

The Walk

The walkers spent the most time in the dodgy parts of Cabo and followed the same first and last thirds on the same trail as the runners. The middle part also went into posh neighbourhoods and rounded the other half of the lake. YES, the walkers also enjoyed Torque Wenche's Delectable Drink Stop™. All walkers came home in one piece too – Huzzah!!

The Walk was about 4.8 – 5km

The Circle

Run Number: Ned BEGS to be picked for the number and got it right... BORINGGGG. There are many barbs at the trash writer for being 3 weeks late as if this trash isn't 3 weeks late too.

Run Count: 13 Hashers rocked up to Torque Wenche's bonanza. **Princess** has rocked up ¼ of a century runs and **Chunda** is s l o w l y catching up to Spotty.

Hare: Torque Wench (me! ☺☺☺) was called into the centre, and the spotlight was taken by Little Squirts YAPPING – SHUT UP BOY ITS MY TURN.

Returnees: Ned has been travelling around with other Hash's and doesn't give a toss. However, he does care because he brought our esteemed supreme leader a gift and a snuggle. Awwwwww, so cute! He then told a shitty joke, get OUT.

Run report: Ned – lacking in Cane Toads, however he heard rumours that there were some in the bush. Of course he would know about warty bushes.... Well-marked and overachieving.

Run Score: Gives it 6/10 then modifies it to 2 when he remembers the lower the better...

Walk Report: Corn Cob reports that Ten Fingers tried to run over 2 small children to steal from. T'was a good walk, a lot of arrows however confusing at times (better than yours). They found the longest hash arrow EVER on the ceiling

Walk Score: 3/10

Short Walk Report: Channel Marker – Fabulous! Absolutely stunning! Just like her hair!

Short Walk Score: 1/10

Total Score: 10/30

The circle was opened to level Charges at Sinners & present Awards for felonies

Sinners & Charges	Awards
R.A.'s Sinner: Little Squirt for 'hiding' in the bush at the drink stop to jump out at the runners. Issue. His fat beanie was sticking out. Exceedingly conspicuous. He still can't find the right bush.	Big Dick – Channel Marker gives Little Squirt the big prick for being a dickhead. That's all the information we get and need.
Chunda charged Torque Wench & Little Squirt for serving gin and orange juice for the drink stop and baby couldn't handle it... You shot it like tequila, you absolute BELL END.	Two Dicks – Google Maps gifts Little Squirt the pricks for trying to scare her and failing pathetically.
Structure Fucker charges Chunda for stealing the old man's parking spot. Rude! The young'un RA had to walk an extra four steps!	Grub Shirt – Singapore Sling considers Ned as the recipient, then Struckers - however Corn Cob copped it for being Ten Finger's personal escort.
FIGJAM charges Little Squirt for failing year 7 physics class by trying to put the MAGNETIC LIGHT on the WOODEN BEAM like a plum.	The Bone – Torque Wench clubs Chunda over the head with it for BITCHING and MOANING and spitting up the courteous alcohol I had laid out on the run.
	The Walking Stick – Princess gifts Google Maps the stick because she's prematurely old and needed support during stretches.
	The Dummies – Tail kept em to suck on.

This week's Hash Mash: snags & salad

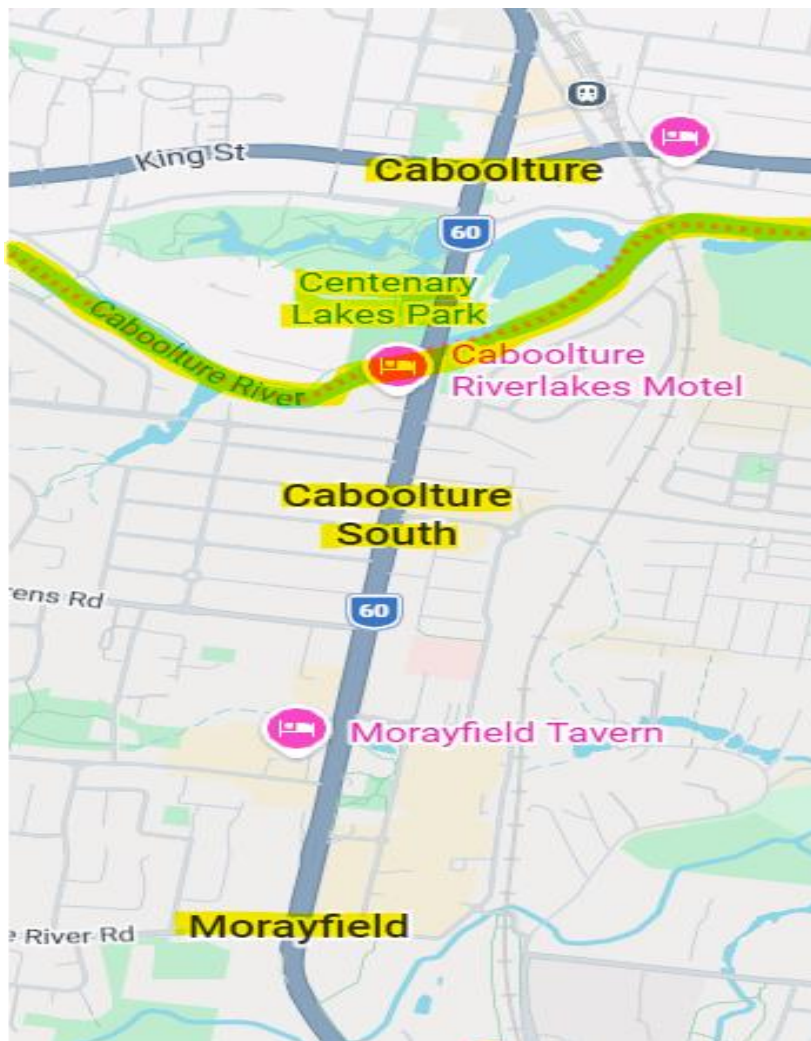

Next Week's Run – 2525

Hare: Princess

Location: Centenary Lakes, Morayfield → **NOT** Caboolture if you go near the hospital **turn around!**

Disclaimer from Pounda – Centenary Lakes Park is actually in CABOOLTURE – NOT MORAYFIELD as indicated in below picture.
