HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2520 Kallangur

Hare – Ten Fingers - End Of Financial Year Tax Dodge

The spicy lights (the red & blue ones) were in plentiful supply as usual, no wonder a few suspect Hashers wore gloves to avoid leaving any fingerprints.

22 Hashers left the blazing fire that was cooking the books in Ten Fingers' yard & trooped around the freezing wilderness of Kallangur on a trail that was almost as dark as his accountants soul.

Calculating charges per foot (step) instead of per metre to get a lower (heart) rate, the length of the trail was compounded by a lot of checks with the accompanying screams of 'ONNN BAAAAACK' when it didn't progress in that direction.

Several walking Hashers took advantage of the tax dodge & took short cuts, only a couple completed the whole trail but everyone got back in the end.

Anyway, with more rivers to cross (you'll get it when we get there) & trashes to write, signing off...

On, on, Feels (CanIHaveAFeel)

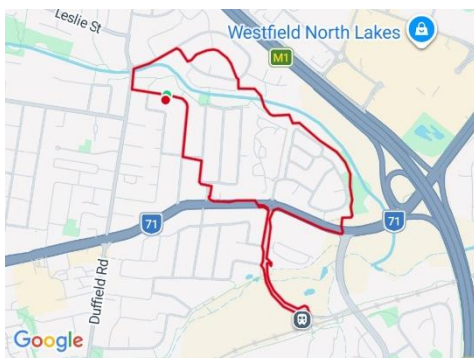

The Run

A bunch of the usual culprits went hooliganising around the back streets of Kallanger & decided that the run just wasn't long enough for them.

So, side adventures galore ensued. They were feeling so deprived of bush that they took themselves off for a random loop before realising Ten's cunning plan to lure them through the pitch darkness of the paths through the reserve.

With the weewoos in the background they shifted their shifty arses & managed to dodge the long arm of the law long enough to make it back to Ten Fingers'

The run was 5 km plus interest & Medicare levy

4.47km Walk

The Walk

The walk followed a similar trail to the run except the runners dicked up the beginning so much that the walkers were actually ahead for quite a while!

However, all good things must come to an end & the Front Running Bastards caught up near the creek crossing.

From then on, the walkers wandered on back, smug in the realization that any coppers looking for revenue raising activities would have chased those dodgy overtaking running bastards first.

The walk was 4.5 km with the pensioners tax rate applied

The Circle

The **G.M., FIGJAM** decides to pick on the last person talking who happened to be Smooth Ride! She spoils all his fun by getting the run number correct with 2520. 😊 😊

Run Number: *Little Squirt* 'Buuuuuuuuuurp' *Flower* 'Thunder Guts' Jimflation (Ginflation? Gymflation? Jimbo? Been drinking/working out lately?) gets called to the middle, sent back & told to get back in the middle while Mr Thunderguts lets another burp rip for the traditional 'pigfuckingface'.

Run Count: There were 22 hashers with honourable mentions to Cheeky Monkey with 50 runs, Road Kill who gets a big cheer & a song for 600 runs! Singapore Sling is sitting pretty on 199, Strong As Shit hits 123 'ABC' quips Little Squirt in the background..

Returnees: Gymflation

Hare: Ten Fingers

Run report: 7 runners but only 6 ran, **Torque Wench** reports it was a fascinating run, some high jinks & shenanigans increased the entertainment value. She expected to get lost, but it was a reverse loop of the last run. Figgy asks about the shit steps, but T-Wench sticks firmly to her own opinion that she thought it was a pretty solid run & gives it 2/10. The old fart, I mean, Hash Elder, Chunda (do we spell it Hash Elda now?), pipes up & concurs, just because he can...

Run Score: Gives it 2/10

Walk Report: Struckers & **Cheesy** reckon they did most of the walk but still can't tell the G.M. where the shit steps were.

Walk Score: 4.6/10

Short Walk Report: **Road Kill** is nominated since he now has 600 runs under his belt, he walked up to the main street on ANZAC Ave, then turned around & came back. He reckons he's doing alright for a 79 year old man & we all concur, just because we can...

Short Walk Score: 3/10

Figgy reveals that the shit steps were on the other side of the train station.

Total Score: 9.6/30

The circle was opened to level Charges at Sinners & present Awards for misdemeanors

Sinners & Charges	Awards
R.A's Sinners – Torque Wench , so used to being in Caboolture & being aware of her surroundings, felt safe on this run then Princess scares the bejesus out of her.	Big Dick – Little Squirt to Google Maps for gibbering about messaging Seth (who's Seth) *cough* Toad
Chunda – charges 4 young turks Torque Wench, Princess, Google Maps & Strong As Shit. Running across the red lights (again) seriously just learn the fucking lesson & wait for the lights. A suggestion was tendered regarding hobbling them with ankle bracelets...	Two Dicks – Little Squirt had the dick trifecta, so he presents two dicks to CanIHaveAFeel for being careless enough to lose her voice.
Torque Wench offers a bonus beer for dedication to tending the fire to the G.M, Princess & herself . The fire was about a beer & a half long & it's now a looooooot longer...	Grub Shirt – Corn Cob to Cheesecake - going to someone that hasn't had it for a while, he doesn't deserve it but anyway. Squirt reckons the G.M. hasn't had it but gets told to shush
FIGJAM charges Channel Marker to make a charge or get a charge! She charges Little Squirt , what did he do? "Dunno, offered her to sit on my lap." Just for being a consistent menace & a bit of a cu.... Fark orf ya cunt, fark orf ya cunt...	The Bone – Chunda says Channel Marker hasn't had this for a long time, she says she's definitely not sharing her lady-fingers with Chunder.
Figgy charges Road Kill , he doesn't have a charge for anyone, so he gets called dumb & scores a bonus beer.	The Walking Stick – Google Maps to Princess because they are playing swapsies with the walking stick. Maps says that this is in anticipation of his inevitable stack when he hits a sign too hard & it bounces back at him.
Squirt , for Corn Cob , Since Ground Sheet & Corn Cob went to Stanthorpe, where apparently it either snows or there's ice on the road. Corn Cob spills his drink before he even has a drink, what an abuse of alcohol! The charge is reversed but really, Squirt was happy to be in the middle & close to the fire to warm his arse.	The Dummies – Tail?? No-one knows
Corn Cob for Cheeky Monkey as she won't let him cook her fish & chips for dinner because she just bought some new fish as a pet. Awww
