HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2522 – Bray Park's Christmas in July

Hare's – Ground Sheet & Corn Cob

We've had a run of spicy Christmas lights over the last couple of weeks, so it was lovely to be welcomed by the wholesome variety with a roaring fire pit & a bunch of bewildered hashers who couldn't believe they were being treated so well!

Then came the food – they outdid themselves with a full Christmas spread & crackers with jokes so corny even the most cynical & decrepit old grinch found themselves laughing. (We have photographic proof, for you bah-humbugs)

Shut up, I'm getting there & haven't even done my marking yet!

On on, Feels

The Run

Starting on chalk, with a lot of check backs to slow the fast fuckers down, the trail meandered through the back streets of Bray Park. Some bush was added to the activities with loo paper & koala droppings as trail markers for good measure. Just imagine the walk map with random tentacles segueing off most streets...

If you've ever played cards against humanity with me... tentacle porn is a real thing!

The run was 4.71

The Walk

3.29km Walk
Monday, July 13 at 18:33

A similar trail with lovely chats along the way & less tentacle porn

The walk was lovely

The Circle

Circle called...

Run Number: Road Kill 2060 fucked it up & doesn't have a clue, **Ten Fingers** had a go with **2528** but **Toad 2526** scored!

Round Cunt: This is not a typo. Well, it is but it's not mine 😊 😊 😊 Figgy must have Freudian slips on his mind & Flower asks everyone who's a round cunt to raise their hands... did anyone count?

We had 24 paid up members attend as **Toad & Google Maps** have chucked their money in the pot & are stuck with us for the foreseeable future. Yayyy!! Wait, what's Dog's number?

Hare: Ground Sheet & Corn Cob who apparently came for the first time in a long time...

Tikka Count: Struckers tells Tikka that if he's gunna sing, at least sing in tune, we aren't bothering to count the barks, we're counting how often the Dog infringes on Tikkas free-speech rights... 4 & counting so far, how many until it counts as oppression?

Returnees: Tikka brought his **Dog** along & his Dog told a likely tale & said they were in South Australia, but we all know there's no such place.

Run report: Princess got all the false trails, well that should wear him out a bit & let everyone else catch up, he described the run as delectable, I guess those Grace school fees are justified occasionally.

Run Score: Gives it a good old 2/10

Walk Report: Structure Fucker is asked if he did the whole walk & he admits to completing the mission, then he dobs **Ten Fingers** in too. It was good, flat, thank heavens, some dark alleys where he fiiiiiiiiinally admits that a torch may have been helpful since he had trouble seeing (Mr. I don't need a torch!)

Walk Score: Probably a 2/10

Short Walk Report: Road Kill was called upon but **Channel Marker** said it was pleasant, 1 out of ten, **Cheeky Monkey** & I had a great time doing a tiny walk. 'Buuuuurp' 'Pigfuckingface!'

Short Walk Score: 1/10

Total Score: 5/30

The circle was opened to level Charges at Sinners & present Awards for misdemeanors

Sinners & Charges	Awards
R.A's Sinner: Google Maps for leaving the large appendage laying in the cold, wet grass. Figgy reckons that certain appendages don't like being neglected in the long grass (not that she would know)	Big Dick – Google Maps gifted to Ground Sheet & Corn Cob because they nearly killed the runners across the roads
Tail was having a medical episode & was	

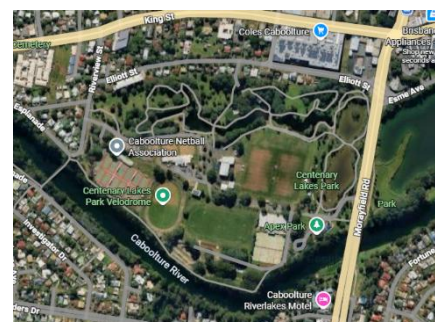

oblivious to the fact she moved the chairs so there was no heat for the G.M. She takes the charge because let's face it, it's a free drink!	
Tail asks permission of the R.A. to charge the G.M. - FIGJAM *In the voice of Porthos in the 90's version of The Three Musketeers* 'Permission granted!' For either stealing, misappropriation or distressing Hashcash – Flower left her jacket at Figgy's	Two Dicks – Ned – you're supposed to bring the 2 dicks back not keep them for your orifices!
Smooth Ride charges Tail for being an Olympic hopeful for either high or long jump but somehow the five kids got in the way & they all survived?	Grub Shirt – Corn Cob to Ten Fingers for upsetting the G.M. *all* 'awwwwwwww'
Dog charges Ten Fingers for running & stumbling in & blaming Dog's torch for blinding him. The R.A. suggests it might be a first for the words athlete & Ten Fingers to be used in the same sentence.	The Bone – Chunda – could go to 2 people, maybe the G.M. but I didn't ask permission so it's going to Ten Fingers . Coz Ten Fingers rocked up at Chundas needing a lift & Chunda had already arranged to drink & not drive but 10F fucked up the numbers so here we are... sober & driving...
Smooth Ride charges Struckers for crashing into the local wildlife. Struckers reckons he was doing a Ten Fingers & looking at the ground so didn't see the random person walking around	The Walking Stick – Google Maps to Princess, playing swapsies again... Figgy gives Princess a lesson in grammar.
Torque Wench charges Little Squirt for random noises & being a dickhead.	The Dummies – Chunda to Little Squirt for having a go at the R.A. & threatening to throw a chair – you are a naughty, naughty, naughty, naughty boy!
Squirt charges T-Wench & Princess & himself for being dickheads on the spinny swings, he hands out chuck bags for the kindy-hash
