HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2524 - Carseldine

Hare – Little Squirt

There were 16? freezing Hasher's skipping on the trail, 15? freezing Hasher's, whinging on the trail & if 14 freezing Hasher's made it to the end of the trail... we may have lost a couple down a drain to the trolls... oops.

This week could really have been called the kindy-Hash edition since the kids were on the swings & the 'grown-ups' were drinking in the park & no-one wanted to go home but it was so damn cold!! So we drank some more to keep warm, as I am doing now. Cheers!!

On, on, Feels

The Run

Ohhhh, this was the one where the Hare sent the runners on a true steeplechase by making them jump over a fence, stumble down a drain & climb over another fence, including the G.M., & I hear kindy-Hash were most impressed with FIGJAM's gymnastics. Only to realise (eventually) that it was a false trail 😊😊, I also hear that at one point, the Religious Advisor, Strong As Shit, had a Religious Revelation & disappeared...

Meanwhile, Figgy & the ferals (Princess & Torque Wench) were left scratching their heads & their arses while they tried to figure out where the fuck they were, where the fuck the R.A. was & where the fuck was the trail???

T-Wench even rang the R.A. looking for a 'sign' & was told that the R.A. had found the actual trail & that you lot were not on it...

So off they go along the main road since they have nowhere else to go & lo & behold, an arrow magically appears! All bow down to the R.A. manifesting miracles!! She says it was a bit hilly & a lot of fun!

The run was about 6 km

The Walk

Leaving the dubious safety of Nilkerie St Park, & heading towards Beams Rd, there were beanies & jackets galore for the beginning of the walk. Hooking a right & dodging traffic onto the Cabbage Tree Creek bikeway, it was a brisk walk through the bush to keep from freezing to death!

There really was a LOT of bush. Lucky there was a path already strimmed or they'd still be out there! Eventually reaching Dorville Rd, the heroic Hasher's were still being sent farther from home by traipsing all the way down to Zillmere Rd & turning right towards the bright lights of Gympie Rd where they finally headed back through a different area of bush, variety being the spice of life & all that... a last straight back up Dorville & it was time for beers, bubbles & bullshit.

The walk was 4.12 km

The Circle

The **G.M.**, **FIGJAM**, calls the circle & **Tail** was the last one talking, but **E.T.** was the poor sucker that the G.M. decided to use for target practice. She put forward an extremely dubious sounding 25....2.....4? & held the final note so long the R.A. filled the gap with asking 'how many?'

Run Count: 14 or so Hasher's stood up to be counted, with fun/significant runs of **FIGJAM** – 456. **Little Squirt** – 123* starts singing the Jackson 5*, **Tail** is hovering over 399, **Flower** reckons Tail doesn't look a day over 400 (*such a bitch* 🍌), **Ground Sheet** 125 and gets a 1/4 inch (1.25 acknowledgement from the G.M.).

Hare: Little Squirt

Returnees: no returnees tonight – just regular hooligans...

Run report: The R.A., Strong As Shit is nominated since she was the only one who did it & was closest to completing the whole thing... she followed allllll the arrows & found it a bit hilly & bumpy, a few roads they ran over & thought they might be flattened, with this one (elbows Princess) banging every sign they went past & sometimes going out of his way to whack a sign, buuuuut in the end we fucked up... since one lot went one way & the other saw them only when they got back 😞

Run Score: Still gives it: **2/10**

Walk Report: Ten Fingers, tells us he had his phone on him (but everyone wants to know - was it turned on???) He thought it was a bloody good walk. Ten accuses the Hare of recycling a run which is vehemently denied, but goes on to compliment the presence of lots of bush (everyone loves some bush), lots of non-Hash runners coming up to us (& overtaking us) *several sexist, ageist & frankly admiring comments on the young, fit, not bad looking members of the male persuasion running in both directions are overheard*. Slight criticism of lack of regroupings since there's these old farts that just catch up & wouldn't mind a breather but as soon as they catch up everyone pisses off (they did stop though, didn't they? Not Dog of course, Dog doesn't stop for anyone. Was Dog even there?)

Walk Score: **3/10**

Short Walk Report: Ahhh, **Singapore Sling!** Apparently, there were *no* short walkers, only a trip to the car & back, Singapore reckons its 10 outta 10 as he didn't fall down so 0/10 & a shitty trail song for his efforts

Short Walk Score: **0/10**

Total Score: **5/30**

The circle was opened to level Charges at Sinners & present Awards for misdemeanors

Sinners & Charges	Awards
Religious Advisor's Sinner – Oh of course it's Squirt! I think he'd be offended if it wasn't him. Squirt is always sinning! The R.A. lost count of the times on this run that the GM exclaimed 'Oh you cheeky fuck!' Arrows behind poles, jumping over fences, heading down dead-end drains. It was great fun! Take a bow Squirt, we salute you!!	Big Dick – Cheesecake courteously asks Feels which one of her ferals deserves the big dick/appendage/fucker more... I mean the awards now have pride of place just next to the husband/unicorn's tv. Just to piss him off. They glare at him until disposed of... Oh wait! Cheesy throws it at Little Squirt! To go with his grubby condom! Yay!
T-Wench charges Princess - being of above average height, he tries to hit the top of every sign, which pisses his sister off, as she is not quite so above average height, & that cheeky bitch of a song mistress firstly asks if there is any bruising (apparently yes) & decides that the perfect tune for this family feud is 'if it wasn't for his mother' Who. Is. Standing. Right. There!	Two Dicks – Still Ned. No more needs to be said.
Structure Fucker charges Ten Fingers, with walking so slow that it would have been daylight if they stopped at the regroup – Come on Ten, there's beer at the end!!!! G.M. questions how many regroup, Struckers dips Cheesy in it, since he makes them so he can have a breather while everyone waits for Ten. *slow wink*	Grub Shirt – G.M. blames Sarge for the stench as he's been sleeping on it so the cats couldn't get it. He has put his 18th date on it (but he's been around for how many runs? 18 out of 400+ isn't bad, is it?) A lot of gibber about rubbish. More rubbish yelling, drowning out whatever the song was. Shut the fuck up! 😊 😊
Buurrppp! Fucking pig face! No idea of any actual charge but there's general elder abuse of Ten Fingers, Tail asks if Struckers had a blue card (he reckons he does – but wait, blue cards are for underage... or is a senior's card blue as well?) & dobs Cheesy in for being a decent human & making sure Ten doesn't get lost *50% awwwwwwwww, 50% boooooooooo*	The Bone – Ten Fingers To the Hash trainer, who walked 6km to get here & did the walk as well. Smooth Ride is happy to be serenaded until she realizes they are singing 'down down down your beer to answer for your crimes'...
G.M. questions why the walkers scored 3 regroup (as above) then suggests that Little Squirt was fucking around while marking the trail.. Squirt actually waits for once to see what bullshit the G.M. cums up with... The G.M. gleefully pulls out a grotty condom wrapper & gives a sermon about littering. Hash sings something about a skeeta? on his peter, whack it off....	The Walking Stick – Maybe flower? Maybe Squirt/maybe no idea, will find them in the next edition!
	The Dummies – Google Maps was commiserating with Toad over his blistered feet & hangover – which is absolutely no excuse for staying away, as this is what Hash is FOR!!!

This week's Hash Mash: Snags etc
