HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2538

Hare – The Legendary Chunda

Well it was off to the Lengendary Chunda's Abode for another fantasic Hash run. The weather over the weekend was crap so I left doing the run until I was ready. There was two early Birds that arrived being Smooth Ride and Struture Fucker. He assited me in doing trail. Thanks again mate.

ON ON Chunda.

The Run

I set off to set the run as I said earlier with Structure Fucker's assistance. The run was marked all in gyprock, there where RG's and check's. Many street's and pathway's until reaching the On Home

The Walk

Was nearly the same as the runners. They would have gone about 1km less.

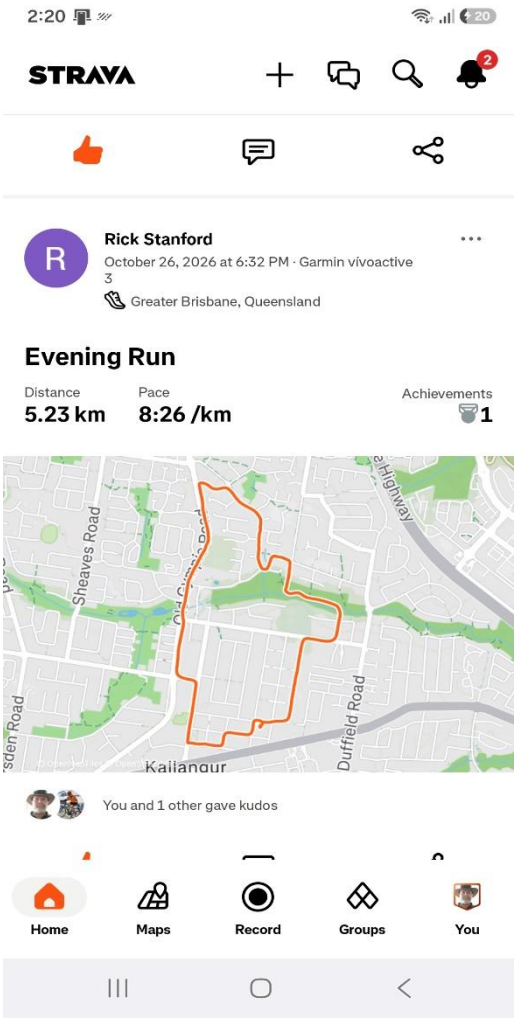

The Circle

Our Outstanding G.M. called out 'circle up'. He asked Little Squirt to give run number and he got it right; he also sang it out and was called a Smart Arse. Jake the Peg goes on with who said he's smart, Little Squirt reply's with 'or an Arse'. Give him a song - How Smart is that Hasher in the Middle.

20 Hasher's braved the weather to be part of another fantastic run set by the Legendary Chunda. As usual they were not disappointed.

Run report: Sling Shot goes on to say he thought the run was pretty good with lots of RG's and gives it an 8, Chunda turns to him with eyes that could kill and said, **'what the F@#***'. **GM** said all runs are shit, **RA** said lower is better and he gives it a 4/10. Lucky for him by Gum.

Walk Report: No walk pic to show, don't care as I'm a Runner again. The GM tries to find a Hasher to do the walk report and it ends up being Ten Fingers. Well, he goes on to say it had lots of arrows and to much water on the ground, (crowd joins in with 'you poor old man'). Score 2/10

Short Walk Report: Road Kill - it was good, I didn't go too far, (Chunda pipes up to say 'he never does'). He scores it 2/10

Song for hare was Little Arrows that you follow.

Total Score: 8/30

Visitors/Returnees: Jake The Peg, Ned and Sling Shot get in the middle. GM asked Ned, why haven't you been to hash? He replies, 'I don't give a shit'. Laughter and some other words are thrown out there. Jake The Peg where have you been and why haven't you been to Hash? He replies, 'been over Europe trying to get my country back one person at a time'. Sling Shot, where have you been? 'very busy, got three people in our house with only one left hand so it's a bit hard getting them in the car'. Other laughter goes on and more bullshit. Song given is where the f@#.

Jake The Peg says to the GM, 'I've got a gift for you, I couldn't find any Fig Jam, so I got you English Marmalade'.
