HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2539

Hare – Little Squirt

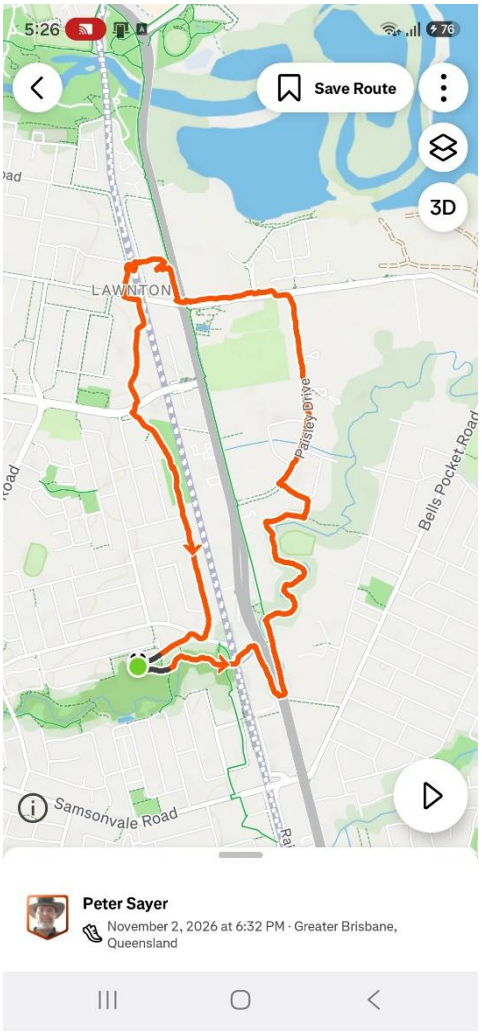

Well it was off to Bray Park for another Little Squirt Hash Run. Themed Halloween, Ground Sheet and Corn Cob set up a good amount of Halloween gear. It was new territary for the night. There was a big play ground for the Kindy Hash to run a muck. Six thirty came around and we were told the runners have a drink stop, Kindy Hash take ID.

ON ON Chunda.

Proxy for the night for Down Downs is Little Squirt.

The Run

Well with the run instructions given, we where off. Walkers in the other direction. The run was well set out, through park land and past where I used to have my gear stored when I owned my buisness. Down some back streets and into the Lawnton Tavern. What, we had to pay for our own drinks because Little Squirt is no FIGJAM. Thanks for the drink Jake The Peg. Princess told to get out the back, so Sling Shot went with him so he wasn't alone. Left the pub and headed for home. Run was 6.33km

The Walk

Walk was in a different direction, with no drink stop. Once again, I don't have pic of walk. I believe it was meant to be pretty good. Walk was 4.5km

The Circle

Our Outstanding G.M. called out circle up. He asked Ten Fingers to give run number and out from the back blocks a call of 2539 comes out but it wasn't Ten. The RA goes 'are you Ten Fingers'. Banter goes around about how young Ten's voice sounds. GM called out get in the middle Sling Shot. Song - How dumb is that Hasher. GM goes on to talk about how when he does a run that he puts on a BAR TAB, Little Squirt did not, HUM BUG.

19 Hasher's turned out to see what the Halloween Theme was going to bring.

Run report: GM says, "who hasn't done a run report for a while". Jake, you ran tonight give a run report'. He goes onto say "I was promised this, that and something else and had to buy my own drink at the Pub, and others as well." All in all, good run. Score 3.35, GM put that up to a 4. Score 4/10

Walk Report: Tail, please give walk report. Well, I made a few dogs bark and he wasn't even there. Some Banter goes around and Flower comes out with that's your problem for being on heat. (Laughter and more Laughter). Tail goes on to say she thought it was quite good with some arrows being a little far apart, but I'll give it a 1.5, GM ups it to 2. Score 2/10

Short Walk Report: Rabbi goes onto say they got to a creek crossing and there was a hill on the other side which he nearly didn't get up. If it wasn't for Raw Liver being there, he wouldn't of got back. (more banter about Raw Liver not taking instruction properly because she keeps bringing him back). Score 3.35 GM 4. Score 4/10

Song for hare was - Does a Hasher like to walk does a Hasher like to run.

Total Score: 10/30

Visitors/Returnees: GM asked if there were any Returnees. Little Squirt shouts the wrong names, I pipe up, tell of a story which was told to myself and Structure Fucker at my run the week before. Smooth Ride get in the middle. (Laughter and Banter go around).
